450019352]**Notice of Realty Action: Proposed
Direct Sale of Public Land in Shoshone
County, ID****AGENCY:** Bureau of Land Management,
Interior.**ACTION:** Notice of Realty Action.**SUMMARY:** The Bureau of Land
Management (BLM) proposes to sell a
0.07-acre parcel of public land in
Shoshone County, Idaho, to Sunshine
Precious Metals, Inc. (Sunshine) for the
appraised fair market value of \$280.**DATES:** Comments regarding the
proposed sale must be received by the
BLM on or before April 15, 2011.**ADDRESSES:** Written comments
concerning this proposed sale may be
submitted to Field Manager, BLM Coeur
d'Alene Field Office, 3815 Schreiber
Way, Coeur d'Alene, Idaho 83815.**FOR FURTHER INFORMATION CONTACT:**
Janna Paronto, Realty Specialist, at 3815
Schreiber Way, Coeur d'Alene, Idaho
83815 or phone (208) 769-5037.**SUPPLEMENTARY INFORMATION:** On
February 6, 2008, a Notice of Realty
Action (NORA) was published in the
Federal Register announcing the
proposed direct sale and segregation of
5.07 acres of public land in Shoshone
County, Idaho. No public comments
were received as a result of the
publication of the NORA. At this time,
the BLM is no longer proposing to sell
the 5-acre parcel and is announcing the
proposal to sell only the 0.07-acre
parcel, measuring 952 feet long and
averaging about 3 feet wide. This sale
will be made by direct sale to Sunshine
in accordance with Sections 203 and
209 of the Federal Land Policy and
Management Act of 1976 (FLPMA), as
amended (43 U.S.C. 1713 and 1719):**Boise Meridian**T. 48 N., R. 3 E.,
Sec. 15 lot 24.

Containing 0.07 acre, more or less.

The area described contains 0.07 acre
in Shoshone County, and its appraised
fair market value is \$280 based on an
approved BLM appraisal. A copy of the
appraisal is available for review at the
location identified in **ADDRESSES** above.
The 2007 BLM Coeur d'Alene Resource
Management Plan identifies this parcel
of public land as suitable for disposal
through direct sale to the historic land
user. This parcel is not needed for any
Federal purpose and is difficult anduneconomic to manage as public land.
The BLM is proposing a direct sale of
the 0.07-acre parcel, which is the
smallest legal subdivision that can be
used to describe this sliver of public
land, to Sunshine. A direct sale is
appropriate because Sunshine has used/
occupied a building(s) located on this
parcel since the 1930s. The public
interest would be best served by
disposing of this parcel to the user/
occupant by direct sale. The disposal
parcel contains no known mineral
values and the conveyance would
include the simultaneous conveyance of
the Federal mineral interests with the
sale of the land. In addition to the
appraised fair market value, Sunshine
would be required to pay a \$50
nonrefundable filing fee for conveyance
of the mineral interests. Any patent
issued will be subject to all valid
existing rights of record and contain the
following terms, conditions, and
reservations.a. A reservation of a right-of-way to
the United States for ditches and canals
constructed by authority of the United
States under the Act of August 30, 1890
(43 U.S.C. 945);b. A notice and indemnification
statement under the Comprehensive
Environmental Response, Compensation
and Liability Act (CERCLA), 42 U.S.C.
9620(h), indemnifying and holding the
United States harmless from any release
of hazardous materials that may have
occurred. To the extent required by law,
the sale will be subject to the
requirements of section 120(h) of
CERCLA, 42 U.S.C. 9620(h).Detailed information concerning the
proposed land sale including the
appraisal, planning and environmental
documents, and a mineral report are
available for review at the BLM Coeur
d'Alene Office at the location identified
in the **ADDRESSES** section above. Normal
business hours are 7:45 a.m. to 4:30
p.m., Monday through Friday, except
Federal holidays.**Public Comments:** Public comments
regarding the proposed sale may be

d'Alene Field Manager (*see* **ADDRESSES**
section) on or before April 15, 2011.
Comments received in electronic form,
such as e-mail or facsimile, will not be
considered. Any adverse comments
regarding the proposed sale will be
reviewed by the BLM Idaho State
Director or other authorized official of
the Department of the Interior, who may
sustain, vacate, or modify this realty
action in whole or in part. In the
absence of timely filed objections, this
realty action will become the final
determination of the Department of theInterior not less than 60 days from
