1. Burundi
2. Cameroon
3. Equatorial Guinea (graduated from GSP)
4. Eritrea
5. Mauritania
6. Seychelles (graduated from GSP)
7. Somalia
8. South Sudan
9. Sudan
10. Zimbabwe

The AGOA Subcommittee is seeking public comments to develop recommendations to the President in connection with the annual review of sub-Saharan African countries' eligibility for AGOA benefits. The Secretary of Labor may consider comments related to the child labor criteria to prepare the U.S. Department of Labor's report on child labor as required under section 504 of the 1974 Act.

II. Public Participation

Due to COVID-19, the AGOA Subcommittee will foster public participation via written submissions rather than an in-person hearing for the 2022 AGOA Eligibility Review. USTR invites public comment according to the schedule set out in the Dates section above. The AGOA Subcommittee will review comments and replies to comments, if any, and may ask clarifying questions to commenters according to the schedule set out above. The AGOA Subcommittee will post the questions it asks on the public docket, other than questions that include properly designated business confidential information (BCI). Any questions that include properly designated BCI will not be posted on the docket for public viewing, but rather will be sent via email to the relevant commenters. Replies to these questions that also contain BCI must follow procedures laid out in section IV.

III. Requirements for Submissions

You must submit comments and answers to questions from the AGOA Subcommittee by the applicable

deadlines set forth in this notice. You must make all submissions in English via *Regulations.gov*, using Docket Number USTR-2021-0009. USTR will not accept hand-delivered submissions. To make a submission using *Regulations.gov*, enter Docket Number USTR-2021-0009 in the 'search for' field on the home page and click 'search.' The site will provide a search results page listing all documents associated with this docket. Find a reference to this notice by selecting 'notice' under 'document type' in the 'filter results by' section on the left side of the screen and click on the link entitled 'comment now.' The *Regulations.gov* website offers the option of providing comments by filling in a 'type comment' field or by attaching a document using the 'upload file(s)' field. The AGOA Subcommittee prefers that you provide submissions in an attached document and note 'see attached' in the 'type comment' field on the online submission form. At the beginning of the submission, or on the first page (if an attachment) include the following text (in bold and underlined): (1) "2022 AGOA Eligibility Review"; (2) the relevant country or countries; and (3) whether the document is a comment, a reply to a comment, or an answer to an AGOA Subcommittee question. Submissions should not exceed 30 single-spaced, standard letter-size pages in 12-point type, including attachments. Include any data attachments to the submission in the same file as the submission itself, and not as separate files. You will receive a tracking number upon completion of the submission procedure at *Regulations.gov*. The tracking number is confirmation that *Regulations.gov* received the submission. Keep the confirmation for your records. USTR is not able to provide technical assistance for *Regulations.gov*. USTR may not consider documents that you do not submit in accordance with these instructions. If you are unable to provide submissions as requested, please contact Jeremy Streatfeild, Director, Office of African Affairs, in advance of the relevant deadline at Jeremy.E.Streatfeild@ustr.eop.gov or (202) 395-8642, to arrange for an alternative method of transmission. General information concerning USTR is available at www.ustr.gov.

IV. Business Confidential Submissions

If you ask USTR to treat information you submitted as BCI, you must certify that the information is business confidential and you would not customarily release it to the public. You must clearly designate BCI by marking

the submission 'BUSINESS CONFIDENTIAL' at the top and bottom of the cover page and each succeeding page, and indicating, via brackets, the specific information that is BCI. Additionally, you must include 'Business Confidential' in the 'type comment' field. For any submission containing BCI, you must separately submit a non-confidential version, *i.e.*, not as part of the same submission with the confidential version, indicating where BCI has been redacted. USTR will post the non-confidential version in the docket and it will be open to public inspection.

V. Public Viewing of Review Submissions

USTR will make public versions of all documents relating to these reviews available for public viewing pursuant to 15 CFR 2017.4, in Docket Number USTR-2021-0009 on *Regulations.gov*, upon completion of processing. This usually is within two weeks of the relevant due date or date of the submission.

VI. Petitions

At any time, any interested party may submit a petition to USTR with respect to whether a beneficiary sub-Saharan African country is meeting the AGOA eligibility requirements. An interested party may file a petition through *Regulations.gov*, under docket number USTR-2021-0009.

*Chair of the Trade Policy Staff Committee,
