Five-Year Review of the Oil Pipeline Index; Notice Regarding Conference

On June 30, 2015, the Commission issued a notice of inquiry (NOI) in the above-captioned proceeding initiating its five-year review of the oil pipeline index. The Commission stated that it planned to hold a conference on July 30, 2015, regarding the issues raised by the NOI.¹

The conference will be held on July 30, 2015, from 2:00 p.m. to 3:30 p.m. (EST), at the offices of the Federal Energy Regulatory Commission, 888 First Street NE., Washington, DC 20426. The conference will be led by Commission Staff and may be attended by one or more Commissioners.

The purpose of the conference is to gain an understanding of the positions of the parties in advance of the filed comments in this proceeding. At the conference, interested persons will be permitted to give brief presentations regarding the index level proposed in the notice of inquiry and any alternative methodologies for calculating the index level. Each presenter will be allowed up to 15 minutes as time permits based on the number of presentations.

The technical conference will not be transcribed. However, there will be a free webcast of the conference. The webcast will allow persons to listen to the technical conference, but not participate. Anyone with Internet access who wants to listen to the conference can do so by navigating to the Calendar of Events at www.ferc.gov and locating the technical conference in the Calendar. The Calendar will contain a link to the webcast. The Capitol

Connection provides technical support for the webcast and offers the option of listening to the meeting via a phone-bridge for a fee. If you have any questions, visit www.CapitolConnection.org or call 703-993-3100.²

Those interested in providing presentations are asked to submit a brief request to speak in this docket on or before July 15, 2015, by completing the form available at: (<https://www.ferc.gov/whats-new/registration/07-30-15-RM-15-20-000-speaker-form.asp>). Once the speaking requests have been submitted, a further notice will be issued with the speaking schedule for the conference.

This conference is open to the public. Pre-registration for attending is not required, but is recommended. Registrations can be made at: (<https://www.ferc.gov/whats-new/registration/07-30-15-form.asp>).

Commission conferences are accessible under section 208 of the Rehabilitation Act of 1973. For accessibility accommodations, please send an email to accessibility@ferc.gov or call toll free 1-866-208-3372 (voice) or 202-502-8659 (TTY); or send a fax to 202-208-2106 with the required accommodations.

For further information about these conferences, please contact: Sarah McKinley, Office of External Affairs, (202) 502-8004, Sarah.McKinley@ferc.gov.

Dated: July 10, 2015.

[Docket No. CP15-523-000]

American Midstream (Midla), LLC; Notice of Application

Take notice that on June 29, 2015, American Midstream (Midla), LLC (Midla) filed an application with the Federal Energy Regulatory Commission pursuant to section 7(c) of the Natural Gas Act (NGA) requesting authority to construct its Natchez Pipeline, consisting of approximately 51.97 miles of 12-inch-diameter pipeline and approximately 0.5 miles of 4-inch-diameter lateral pipeline from

interconnections with Tennessee Gas Pipeline Company, L.L.C. and Columbia Gulf Transmission, LLC in the Winnshoro, Louisiana area, through Franklin, Catahoula, and Concordia Parishes, Louisiana, under the Mississippi River, and into Adams County, Mississippi to the Natchez, Mississippi area. The Natchez Pipeline will provide up to 48,300 Dekatherms per day at an estimated cost of \$66.2 million, all as more fully set forth in the application which is on file with the Commission and open to public inspection.

This filing is available for review at the Commission in the Public Reference Room or may be viewed on the Commission's Web site web at <http://www.ferc.gov> using the "eLibrary" link. Enter the docket number excluding the last three digits in the docket number field to access the document. For assistance, contact FERC at FERCOnlineSupport@ferc.gov or call toll-free, (886) 208-3676 or TTY, (202) 502-8659.

Any questions regarding the application should be directed to Dennis J. Kelly, Senior Counsel for Midla, 1400 16th Street, Suite 300, Denver, CO 80202, by phone at (720) 457-6076 or by email at dkelly@AmericanMidstream.com.

Pursuant to section 157.9 of the Commission's rules, 18 CFR 157.9, within 90 days of this Notice the Commission staff will either: Complete its environmental assessment (EA) and place it into the Commission's public record (eLibrary) for this proceeding; or issue a Notice of Schedule for Environmental Review. If a Notice of Schedule for Environmental Review is issued, it will indicate, among other milestones, the anticipated date for the Commission staff's issuance of the final environmental impact statement (FEIS) or EA for this proposal. The filing of the EA in the Commission's public record for this proceeding or the issuance of a Notice of Schedule for Environmental Review will serve to notify federal and state agencies of the timing for the completion of all necessary reviews, and the subsequent need to complete all federal authorizations within 90 days of the date of issuance of the Commission staff's FEIS or EA.

There are two ways to become involved in the Commission's review of this project. First, any person wishing to obtain legal status by becoming a party to the proceedings for this project should, on or before the comment date stated below file with the Federal Energy Regulatory Commission, 888 First Street NE., Washington, DC 20426, a motion to intervene in accordance

¹ Five-Year Review of the Oil Pipeline Index, 151 FERC ¶ 61,278 (2015).

² The webcast will continue to be available on the Calendar of Events on the Commission's Web site at www.ferc.gov for three months after the conference.
