

thereunder,⁴ which renders the proposal effective upon filing with the Commission. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

NYSE proposes to reduce the annual trading floor regulatory fee allocated among the specialists from \$16,000,000 to \$8,000,000. The text of the proposed rule change is available on the Exchange's Web site (<http://www.nyse.com>), at the Exchange, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the NYSE included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The NYSE has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

Effective January 1, 2008, the Exchange proposes to reduce from \$16,000,000 to \$8,000,000 the annual trading floor regulatory fee allocated among the specialists. The purpose of the trading floor regulatory fee is to defray the costs incurred by the Exchange in connection with the monitoring of trading floor activity by the Exchange's Market Surveillance Division. The Exchange has determined that, given the dramatically increased percentage of trades automatically executed and the shifts in the specialists' trading role as a result of the Hybrid Market initiative, it is appropriate to reduce the specialists' direct contribution to the regulatory program. The fee reduction will not have any impact on the Exchange's ability to maintain its current level of trading floor surveillance or to develop and adopt new surveillance technologies and procedures in the future.

2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with the provisions of section 6 of the Act⁵ in general and section 6(b)(4) of the Act⁶ in particular, in that it is designed to provide for the equitable allocation of reasonable dues, fees, and other charges among its members and other persons using its facilities.

B. Self-Regulatory Organization's Statement on Burden on Competition

NYSE does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purpose of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

Written comments were neither solicited nor received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change has become effective pursuant to section 19(b)(3)(A) of the Act,⁷ and Rule 19b-4(f)(2)⁸ thereunder because it changes a fee imposed by the Exchange. At any time within 60 days of the filing of such proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:

("Act")¹ and Rule 19b-4 thereunder,² notice is hereby given that on December 11, 2007, NYSE Arca, Inc. ("NYSE Arca" or "Exchange") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I, II and III below, which Items have been prepared substantially by the Exchange. NYSE Arca has designated this proposal as one establishing or changing a member due, fee, or other charge imposed by the Exchange under Section 19(b)(3)(A)(ii) of the Act³ and Rule 19b-4(f)(2) thereunder,⁴ which renders the proposal effective upon filing with the Commission. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange, through its wholly-owned subsidiary NYSE Arca Equities, proposes to amend the section of its Schedule of Fees and Charges for Exchange Services (the "Fee Schedule") that applies to orders submitted by ETP Holders.⁵ While changes to the Fee Schedule pursuant to this proposal will be effective upon filing, the changes will become operative on January 2, 2008. The text of the proposed rule change is available at <http://www.nyse.com>, the principal offices of the Exchange, and the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. NYSE Arca has prepared summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

As part of its continuing efforts to enhance participation on the Exchange, NYSE Arca Equities proposes to amend certain sections of its Fee Schedule that apply to orders submitted for securities listed on The NASDAQ Stock Market, LLC ("Nasdaq") or Tape B listed securities. Primarily, these changes will increase the rebate (or credit) earned by ETP Holders for providing significant liquidity in Nasdaq-listed securities.

Currently, the credit for round lot orders of Nasdaq-listed securities that provide liquidity is \$0.002 per share. Pursuant to this proposal, for Nasdaq-listed securities, the Exchange will increase the \$0.002 per share credit to \$0.0024 per share if certain volume thresholds are met. Specifically, if an ETP Holder (i) transacts an average daily share volume per month greater than 30 million shares (including transactions that take liquidity, provide liquidity, or route to away market centers) and also (ii) provides liquidity an average daily share volume per month greater than 15 million, then the ETP Holder will earn a credit of \$.0024 for its orders that provide liquidity.

Additionally, the Exchange proposes to reduce the fee for round lot orders of Tape B listed securities submitted to the Exchange by ETP Holders that are subsequently routed away from the Exchange and executed by another market center or participant, from \$0.004 per share to \$0.0035 per share.

While changes to the Fee Schedule pursuant to this proposal will be effective upon filing, the changes will become operative on January 2, 2008.

2. Statutory Basis

The Exchange believes the proposed rule change is consistent with Section 6(b) of the Act⁶ in general, and furthers the objectives of Section 6(b)(4) of the Act⁷ in particular, in that it is intended to provide for the equitable allocation of reasonable dues, fees, and other charges among its members and other persons using its facilities.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

The Exchange has neither solicited nor received written comments on the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing proposed rule change has been designated as a fee change pursuant to Section 19(b)(3)(A)(ii) of the Act⁸ and Rule 19b-4(f)(2)⁹ thereunder, because it establishes or changes a due, fee, or other change imposed on members by the Exchange. Accordingly, the proposal is effective upon filing with the Commission. At any time within 60 days of the filing of the proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.
