SUPPLEMENTARY INFORMATION:

Title: Purchase Price Allocation in Deemed and Actual Asset Acquisition.
OMB Number: 1545-1658.

Regulation Project Numbers: REG-107069-97.

Abstract: Section 338 of the Internal Revenue Code provides rules under which a qualifying stock acquisition is treated as an asset acquisition (a "deemed asset acquisition") when an appropriate election is made. Section 1060 provides rules for the allocation of consideration when a trade or business is transferred. The collection of information is necessary to make the election, to calculate and collect the appropriate amount of tax liability when a qualifying stock acquisition is made, to determine the persons liable for such tax, and to determine the bases of assets acquired in the deemed asset acquisition.

Current Actions: There is no change to this existing regulation.

Type of review: Extension of OMB approval.

Affected Public: Business or other for-profit organizations, and farms.

The regulation provides that a section 338 election is made by filing Form 8023. The burden for this requirement is reflected in the burden of Form 8023. The regulation also provides that both a seller and a purchaser must each file an asset acquisition statement on Form 8594. The burden for this requirement is reflected in the burden of Form 8594.

The burden for the collection of information in § 1.338-2T(e)(4) is as follows:

Estimated Number of Respondents/Recordkeeper: 45.

Estimated Average Annual Burden Per Respondent/Recordkeeper: 34 minutes.

Estimated Total Annual Reporting/Recordkeeping Hours: 25.

The following paragraph applies to all of the collections of information covered by this notice:

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless the collection of information displays a valid OMB control number. Books or records relating to a collection of information must be retained as long as their contents may become material in the administration of any internal revenue law. Generally, tax returns and tax return information are confidential, as required by 26 U.S.C. 6103.

Request for Comments

Comments submitted in response to this notice will be summarized and/or included in the request for OMB approval. All comments will become a matter of public record.
