Notice of New Fee Sites; Federal Lands Recreation Enhancement Act, (Title VIII, Pub. L. 108-447)

AGENCY: Kootenai National Forest, Forest Service, USDA.

ACTION: Notice of New Fee Sites.

SUMMARY: The Kootenai National Forest is proposing to charge fees for the overnight rental of Fairview cabin (\$50), Meadow Peak lookout (\$40), and Minton Peak lookout (\$40). These cabins have not been available for recreation use prior to this date. Rental of other cabins on the Kootenai National Forest have shown that people appreciate and enjoy the availability of historic rental cabins. Funds from the rental will be used for the continued operation and maintenance of these cabins. This fee is only proposed and will be determined upon further analysis and public comment.

DATES: Send any comments about these fee proposals by September 1, 2012, so comments can be compiled, analyzed and shared with a Recreation Resource Advisory Committee. Fairview will become available for recreation rental December 2012, Meadow peak and Minton Peak lookouts will become available for recreation rental June 2013.

ADDRESSES: Forest Supervisor, Kootenai National Forest, 31374 US Highway 2, Libby, MT 59923-3022.

FOR FURTHER INFORMATION CONTACT: Mary Laws, Recreation Fee Coordinator, 406-283-7648

SUPPLEMENTARY INFORMATION: The Federal Recreation Lands Enhancement Act (Title VII, Pub. L. 108-447) directed the Secretary of Agriculture to publish a six month advance notice in the **Federal Register** whenever new recreation fee areas are established.

This new fee will be reviewed by a Recreation Resource Advisory Committee prior to a final decision and implementation.

The Kootenai National Forest currently has twelve other cabin rentals. These rentals are often fully booked throughout their rental season. A business analysis of the three new cabins has shown that people desire having this sort of recreation experience on the Kootenai National Forest. A market analysis indicates that the \$35-80/per night fee is both reasonable and acceptable for this sort of unique recreation experience.

People wanting to rent these cabins will need to do so through the National Recreation Reservation Service, at

www.recreation.gov or by calling 1-877-444-6777. The National Recreation Reservation Service charges a \$9 fee for reservations.

Dated: June 15, 2012.

Paul Bradford,

Kootenai National Forest Supervisor.

DEPARTMENT OF COMMERCE

Submission for OMB Review; Comment Request

The Department of Commerce will submit to the Office of Management and Budget (OMB) for clearance the following proposal for collection of information under the provisions of the Paperwork Reduction Act (44 U.S.C. Chapter 35).

Agency: Economic Development Administration (EDA).

Title: Award Amendment Requests and Project Service Maps.

OMB Control Number: 0610-0102.

Form Number(s): None.

Type of Request: Regular submission (extension of a currently approved information collection).

Number of Respondents: 632 (600 requests for amendments to construction awards, 30 requests for amendments to non-construction awards, 2 project service maps).

Average Hours Per Response: 2 hours for an amendment to a construction award, 1 hour for an amendment to a non-construction award, 6 hours for a project service map.

Burden Hours: 1,242.

Needs and Uses: A recipient must submit a written request to EDA to amend an investment award and provide such information and documentation as EDA deems necessary to determine the merit of altering the terms of an award (see 13 CFR 302.7(a) of EDA's regulations). EDA may require a recipient to submit a project service map and information from which to determine whether services are provided to all segments of the region being assisted (see CFR 302.16(c) of EDA's regulations).

The type of documentation varies by the amendment requested. For example, a change to the approved schedule may require documentation substantiating claims that weather caused delays, or labor shortages caused delays, or environmental issues unknown at the time of award caused delays. The explanation may require why the change is in the best interest of both the government and the recipient and what

impact the change will have on project outcomes. Also, a budget request may require documentation showing that materials were more expensive than originally budgeted and substitutes were not available. Upon receiving an amendment request, the EDA engineer/construction manager assigned to the project will evaluate the request and determine what type of documentation is required. The EDA engineer/construction manager will then communicate this to the recipient.

Affected Public: Current recipients of EDA assistance, to include (1) cities or other political subdivisions of a state, including a special purpose unit of state or local government engaged in economic or infrastructure development activities, or a consortium of political subdivisions; (2) states; (3) institutions of higher education or a consortium of institutions of higher education; (4) public or private non-profit organizations or associations; (5) District Organizations; and (6) Indian Tribes or a consortia of Indian Tribes; and (7) (for training, research, and technical assistance awards only) individuals and for profit businesses.

Frequency: Annually.

Respondent's Obligation: Required to obtain or retain benefits.

OMB Desk Officer: Nicholas Fraser, (202) 395-5887.

Copies of the above information collection proposal can be obtained by calling or writing Jennifer Jessup, Departmental Paperwork Clearance Officer, (202) 482-0336, Department of Commerce, Room 6616, 14th and Constitution Avenue NW., Washington, DC 20230 (or via the Internet at Jjessup@doc.gov).

Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to Nicholas Fraser, OMB Desk Officer, FAX number (202) 395-7285, or via the Internet at Nicholas_A_Fraser@omb.eop.gov.

Dated: July 17, 2012.

An incidental use of property: (1) Does not interfere with the scope of the project or the economic purpose for which the investment was made; (2) provided that the recipient is in compliance with applicable law and the terms and conditions of the investment assistance, and (3) the incidental use of the property will not violate the terms and conditions of the investment assistance or otherwise adversely affect the economic useful life of the property. Eligible applicants and recipients should contact the appropriate regional office (whose contact information is available via the Internet at <http://www.eda.gov>) for guidelines on obtaining approval for incidental use of property. If a recipient wishes for EDA to release its real property or tangible personal property interests before the expiration of the property's estimated useful life, the recipient must submit a written request to EDA and disclose the intended future use of the real property or the tangible personal property for which the release is requested (see 13 CFR 314.10 of EDA's regulations).
