SUPPLEMENTARY INFORMATION:

OMB Control Number: 3060–XXXX.
Title: Section 74.786, Digital Channel Assignments; Section 74.787, Digital Licensing; Section 74.790, Permissible Service of Digital TV Translator and Low Power TV (LPTV) Stations; Section 74.794, Digital Emissions, and Section 74.796, Modification of Digital Transmission Systems and Analog Transmission Systems for Digital Operation.

Form Number: Not applicable.

Type of Review: New collection.

Respondents: Business or other for-profit entities; Not-for-profit institutions; State, local or tribal government.

Number of Respondents: 8,433.

Estimated Time per Response: 30 minutes–4 hours.

Frequency of Response: Recordkeeping requirement; One-time reporting requirement; Third party disclosure requirement.

Total Annual Burden: 55,417 hours.

Total Annual Cost: \$95,734,200.

Privacy Impact Assessment: No impact(s).

Needs and Uses: The Commission adopted rules in a *Report and Order (R&O)* in MB Docket No. 03–185, FCC 04–220, adopted September 9, 2004, and released September 30, 2004. This document established rules and policies for digital low power television (LPTV) and television translator (TV Translator) stations and modifies certain rules applicable to digital Class A TV stations (Class A). The Commission also imposes Paperwork Reduction Act (PRA) burdens aimed at minimizing the opportunity for interference and continuing to offer the public the highest quality viewing services possible during the transition to digital television.

Section 74.786 requires an applicant for a new low power television translator digital station or for changes in the facilities of an authorized digital station shall endeavor to select a channel on which its operation is not likely to cause interference. The applications must be specific with regard to the channel requested. Only one channel will be assigned to each station. Stations proposed use of such channels shall notify all potentially affected 700 MHz wireless licensees not later than 30 days prior to the submission of their application.

Section 74.787 provides that mutually exclusive LPTV, TV translator, mutually exclusive, and mutually exclusive displacement relief applicants applying for construction permits for digital stations will be afforded that opportunity to submit in writing to the Commission, settlements and engineering solutions to resolve their situation.

Section 74.790 states that digital LPTV stations and TV translator station shall not retransmit the programs and signal of any TV broadcast or DTV broadcast station(s) without prior written consent of such station(s).

Section 74.794 requires licensees of digital LPTV and translator stations to retain with their station license a description of the low pass filter or equivalent device with the manufacture's rating or a report of measurements by a qualified individual.

Section 74.796 digital LPTV or TV translator station licensees to notify the Commission upon the completion of the transmitter modifications and shall certify compliance with all applicable

transmission system requirements and results of performance tests.
