The Social Security Administration (SSA) publishes a list of information collection packages requiring clearance by the Office of Management and Budget (OMB) in compliance with Public Law 104-13, the Paperwork Reduction Act of 1995, effective October 1, 1995. This notice includes revisions, and one extension of OMB-approved information collections.

SSA is soliciting comments on the accuracy of the agency's burden estimate; the need for the information; its practical utility; ways to enhance its quality, utility, and clarity; and ways to minimize burden on respondents, including the use of automated collection techniques or other forms of information technology. Mail, email, or fax your comments and recommendations on the information collection(s) to the OMB Desk Officer and SSA Reports Clearance Officer at the following addresses or fax numbers.

(OMB) Office of Management and Budget, Attn: Desk Officer for SSA. Comments: <https://www.reginfo.gov/public/do/PRAMain>. Submit your comments online referencing Docket ID Number [SSA-2021-0044].

(SSA) Social Security Administration, OLCA, Attn: Reports Clearance Director, 3100 West High Rise, 6401 Security Blvd., Baltimore, MD 21235, Fax: 410-966-2830, Email address: OR.Reports.Clearance@ssa.gov. Or you may submit your comments online through <https://www.reginfo.gov/public/do/PRAMain>, referencing Docket ID Number [SSA-2021-0044].

SSA submitted the information collections below to OMB for clearance. Your comments regarding these information collections would be most useful if OMB and SSA receive them 30 days from the date of this publication.

To be sure we consider your comments, we must receive them no later than November 26, 2021. Individuals can obtain copies of these OMB clearance packages by writing to OR.Reports.Clearance@ssa.gov.

1. *Request for Waiver of Overpayment Recovery and Request for Change in Overpayment Recovery Rate—20 CFR 404.502, 404.506–404.512, 416.550–416.558, 416.570–416.571—0960-0037.*

When Social Security beneficiaries and Supplemental Security Income (SSI) recipients receive an overpayment, they must return the extra money. These beneficiaries and recipients can use Form SSA-632-BK, Request for Waiver of Overpayment Recovery, to request a waiver from repaying their overpayment. Beneficiaries and recipients can also use Form SSA-634, Request for Change in Overpayment Recovery, to request a change to the monthly recovery rate of their overpayment. The respondents must provide financial information to help the agency determine how much the overpaid person can afford to repay each month. The respondents are individuals who are overpaid Social Security or SSI payments who are requesting:

(1) A waiver of recovery of an overpayment, or (2) a lesser rate of withholding.

Type of Request: Revision of an OMB-approved information collection.

* We based this figure on the average DI payments based on SSA's current FY 2021 data (<https://www.ssa.gov/legislation/2021FactSheet.pdf>).

** We based this figure on averaging both the average FY 2021 wait times for field offices and teleservice centers, based on SSA's current management information data.

2. *Statement of Claimant or Other Person—20 CFR 404.702 & 416.570—0960-0045.* SSA uses Form SSA-795, Statement of Claimant or Other Person, in special situations where there is no authorized form or questionnaire, yet we require a signed statement from the applicant, claimant, or other individuals who have knowledge of facts, in connection with claims for Social

Security benefits or SSI. The information we request on the SSA-795 is of sufficient importance that we need both a signed statement and a penalty clause. SSA uses this information to process, in addition to claims for benefits, issues about continuing eligibility; ongoing benefit amounts; use of funds by a representative payee; fraud investigation; and a myriad of other

program-related matters. The most common respondents are applicants for Social Security, SSI, or recipients of these programs. However, respondents also include friends and relatives of the involved parties, coworkers, neighbors, or anyone else in a position to provide information pertinent to the issue(s).

Type of Request: Revision of an OMB-approved information collection.

3. Claimant's Medication—20 CFR 404.1512, 416.912—0960-0289. In cases where claimants request a hearing after denial of their disability claim for Social Security, SSA uses Form HA-4632, Claimant's Medications, to request information from the claimant regarding the medications they use. This information helps the judge overseeing

the case to fully investigate: (1) The claimant's medical treatment and (2) the effects of the medications on the claimant's medical impairments and functional capacity. The judge makes the completed form a part of the documentary evidence of record, placing it in the official record of the proceedings as an exhibit. The

respondents are applicants (or their representatives) for Old Age Survivors and Disability Insurance (OASDI) benefits or SSI payments who request a hearing to contest an agency denial of their claim.

Type of Request: Revision of an OMB-approved information collection.

4. Disability Report—Adult—20 CFR 404.1512 and 416.912—0960-0579. State Disability Determination Services (DDS) use the SSA-3368, Disability Report-Adult, and its electronic versions to determine if adult disability

applicants' impairments are severe and, if so, how the impairments affect the applicants' ability to work. This determination dictates whether the DDSs and SSA will find the applicant to be disabled and entitled to SSI

payments. The respondents are applicants for Title II disability benefits or Title XVI SSI payments.

Type of Request: Revision of an OMB-approved information collection.

5. Request for Internet Services and 800# Automated Telephone Services Knowledge-Based Authentication (RISA-KBA)—20 CFR 401.45—0960-0596. The Request for Internet Services and 800# Automated Telephone

Services (RISA) Knowledge-Based Authentication (KBA) is one of the authentication methods SSA uses to allow individuals access to their personal information through our Internet and Automated Telephone

Services. SSA asks individuals and third parties who seek personal information from SSA records, or who register to participate in SSA's online business services, to provide certain identifying information. As an extra

measure of protection, SSA asks requestors who use the Internet and Automated Telephone Services to provide additional identifying information unique to those individuals

so SSA can authenticate their identities before releasing personal information. The respondents are current beneficiaries who are requesting personal information from SSA, and

individuals and third parties who are registering for SSA's online business services.

Type of Request: Revision of an OMB-approved information collection.

6. *Testimony by Employees and the Production of Records and Information in Legal Proceedings—20 CFR 403.100–403.155—0960–0619.* Regulations at 20 CFR 403.100–403.155 of the Code of Federal Regulations establish SSA's policies and procedures for an individual; organization; or government entity to request official agency

information, records, or testimony of an agency employee in a legal proceeding when the agency is not a party. The request, which respondents submit in writing to SSA, must: (1) Fully set out the nature and relevance of the sought testimony; (2) explain why the information is not available by other means; (3) explain why it is in SSA's

interest to provide the testimony; and (4) provide the date, time, and place for the testimony. Respondents are individuals or entities who request testimony from SSA employees in connection with a legal proceeding.

7. *Function Report—Adult-Third Party—20 CFR 404.1512 & 416.912—0960–0635.* Individuals receiving or applying for Social Security Disability Insurance (SSDI) or SSI provide SSA with medical evidence and other proof SSA requires to prove their disability.

SSA, and DDS on our behalf, collect this information using Form SSA–3380–BK, Function Report—Adult-Third Party. We use the information to document how claimant's disabilities affect their ability to function, and to determine eligibility for SSI and SSDI claims. The

respondents are third parties familiar with the functional limitations (or lack thereof) of claimants who apply for SSI and SSDI benefits.

Type of Request: Revision of an OMB approved information collection.

Modality of completion	Number of respondents	Frequency of response	Average burden per response (minutes)	Estimated annual burden (hours)	Average theoretical hourly cost amount (dollar) *	Total annual opportunity cost (dollars) **

8. *Certification of Prisoner Identity Information—20 CFR 422.107—0960–0688.* Inmates of Federal, State, or local prisons may need a Social Security card as verification of their Social Security number for school or work programs, or as proof of employment eligibility upon release from incarceration. Before SSA can issue a replacement Social Security

card, applicants must show SSA proof of their identity. People who are in prison for an extended period typically do not have current identity documents. Therefore, under written agreement with the correctional institution, SSA allows prison officials to verify the identity of certain incarcerated U.S. citizens who need replacement Social

Security cards. Prison officials provide SSA information from the official prison files, sent on correctional facility letterhead. SSA uses this information to establish the applicant's identity in the replacement Social Security card process. The respondents are prison officials who certify the identity of

prisoners applying for replacement Social Security cards.

Type of Request: Extension of an OMB-approved Information Collection.
