

duty reviews, the interested party must specify the individual producers or exporters covered by an antidumping finding or an antidumping or countervailing duty order or suspension agreement for which it is requesting a review, and the requesting party must state why it desires the Secretary to review those particular producers or exporters. If the interested party intends for the Secretary to review sales of merchandise by an exporter (or a producer if that producer also exports merchandise from other suppliers) which were produced in more than one country of origin and each country of origin is subject to a separate order, then the interested party must state specifically, on an order-by-order basis, which exporter(s) the request is intended to cover.

Six copies of the request should be submitted to the Assistant Secretary for Import Administration, International Trade Administration, Room 1870, U.S. Department of Commerce, 14th Street & Constitution Avenue, NW., Washington, DC 20230. The Department also asks parties to serve a copy of their requests to the Office of Antidumping/Countervailing Enforcement, Attention: Sheila Forbes, in room 3065 of the main Commerce Building. Further, in accordance with section 351.303(f)(1)(i) of the regulations, a copy of each request must be served on every party on the Department's service list.

The Department will publish in the **Federal Register** a notice of "Initiation of Administrative Review of Antidumping or Countervailing Duty Order, Finding, or Suspended Investigation" for requests received by the last day of October 2001. If the Department does not receive, by the last day of October 2001, a request for

review of entries covered by an order, finding, or suspended investigation listed in this notice and for the period identified above, the Department will instruct the Customs Service to assess antidumping or countervailing duties on those entries at a rate equal to the cash deposit of (or bond for) estimated antidumping or countervailing duties required on those entries at the time of entry, or withdrawal from warehouse, for consumption and to continue to collect the cash deposit previously ordered.

This notice is not required by statute but is published as a service to the international trading community.

Dated: September 7, 2001.

("sunset") review.

**SUMMARY:** In accordance with section  
751(c) of the Tariff Act of 1930, as  
amended ("the Act"), the Department of  
Commerce ("the Department") is  
automatically initiating a five-year  
("sunset") review of the suspended  
antidumping investigation listed below.  
The International Trade Commission  
("the Commission") is publishing

concurrently with this notice its notice  
of *Institution of Five-Year Review*  
covering this same suspended  
investigation.

**FOR FURTHER INFORMATION CONTACT:**  
Carole A. Showers or Martha V. Douthit,  
Office of Policy, Import Administration,  
International Trade Administration,  
U.S. Department of Commerce, at (202)

respectively, or Vera Libeau, Office of

Commission, at (202) 205–3176.

**SUPPLEMENTARY INFORMATION:**

**The Applicable Statue**

Unless otherwise indicated, all  
citations to the Tariff Act of 1930, as  
amended (the "Act"), are references to  
the provisions effective January 1, 1995,  
the effective date of the amendments  
made to the Act by the Uruguay Round  
Agreements Act ("URAA"). In addition,  
unless otherwise indicated, all citations  
to the Department of Commerce's  
("Department") regulations are to 19  
CFR part 351 (2001). Pursuant to  
sections 751(c) and 752 of the Act, an

antidumping ("AD") or countervailing  
duty ("CVD") order will be revoked, or  
the suspended investigation will be  
terminated, unless revocation or  
termination would be likely to lead to  
continuation or recurrence of (1)  
dumping or a countervailable subsidy,  
and (2) material injury to the domestic  
industry.

The Department's procedures for the  
conduct of sunset reviews are set forth  
in 19 CFR 351.218. Guidance on  
methodological or analytical issues  
relevant to the Department's conduct of  
sunset reviews is set forth in the  
Department's Policy Bulletin 98:3—  
*Policies Regarding the Conduct of Five-  
year ("Sunset") Reviews of  
Antidumping and Countervailing Duty  
Orders; Policy Bulletin*, 63 FR 18871  
(April 16, 1998) ("*Sunset Policy  
Bulletin*").

**Background**

*Initiation of Review*

In accordance with 19 CFR 351.218  
we are initiating a sunset review of the  
following suspended investigation:

DOC case No.	ITC case No.	Country	Product
A–201–820 .....	731–TA–747	Mexico .....	Fresh Tomatoes.

*Filing Information*

As a courtesy, we are making  
information related to sunset  
proceedings, including copies of the  
*Sunset Regulations* (19 CFR 351.218)  
and *Sunset Policy Bulletin*, the  
Department's schedule of sunset  
reviews, case history information (*i.e.*,  
previous margins, duty absorption  
determinations, scope language, import  
volumes), and service lists, available to  
the public on the Department's sunset  
Internet website at the following  
address: <http://ia.ita.doc.gov/sunset/>.

All submissions in this sunset review  
must be filed in accordance with the  
Department's regulations regarding  
format, translation, service, and  
certification of documents. These rules  
can be found at 19 CFR 351.303. Also,  
we suggest that parties check the  
Department's sunset website for any  
updates to the service list before filing  
any submissions. The Department will  
make additions to and/or deletions from  
the service list provided on the sunset  
website based on notifications from  
parties and participation in this review.  
Specifically, the Department will delete  
from the service list all parties that do  
not submit a substantive response to the  
notice of initiation.

Because deadlines in a sunset review  
are, in many instances, very short, we  
urge interested parties to apply for  
access to proprietary information under  
administrative protective order ("APO")  
immediately following publication in  
the **Federal Register** of the notice of  
initiation of the sunset review. The  
Department's regulations on submission  
of proprietary information and  
eligibility to receive access to business  
proprietary information under APO can  
be found at 19 CFR 351.304–306.

**Information Required From Interested  
Parties**

Domestic interested parties (defined  
in 19 CFR 351.102) wishing to  
participate in this sunset review must  
respond not later than 15 days after the  
date of publication in the **Federal  
Register** of the notice of initiation by  
filing a notice of intent to participate.  
The required contents of the notice of  
intent to participate are set forth at 19  
CFR 351.218(d)(1)(ii). In accordance  
with the Department's regulations, if we  
do not receive a notice of intent to  
participate from at least one domestic  
interested party by the 15-day deadline,  
the Department will automatically  
revoke the order without further review.

If we receive an order-specific notice  
of intent to participate from a domestic

interested party, the Department's  
regulations provide that *all parties*  
wishing to participate in the sunset  
review must file substantive responses  
not later than 30 days after the date of  
publication in the **Federal Register** of  
the notice of initiation. The required  
contents of a substantive response, on  
an order-specific basis, are set forth at  
19 CFR 351.218(d)(3). Note that certain  
information requirements differ for  
foreign and domestic parties. Also, note  
that the Department's information  
requirements are distinct from the  
International Trade Commission's  
information requirements. Please  
consult the Department's regulations for  
information regarding the Department's  
conduct of sunset reviews.<sup>1</sup> Please  
consult the Department's regulations at  
19 CFR part 351 for definitions of terms  
and for other general information  
concerning antidumping and  
countervailing duty proceedings at the  
Department.

<sup>1</sup> A number of parties commented that these  
interim-final regulations provided insufficient time  
for rebuttals to substantive responses to a notice of  
initiation, 19 CFR 351.218(d)(4)). As provided in 19  
CFR 351.302(b), the Department will consider  
individual requests for extension of that five-day  
deadline based upon a showing of good cause.
