SUPPLEMENTARY INFORMATION:**Background**

GSA, in compliance with the
FedRAMP Authorization Act of 2022,
established the FSCAC, a statutory
advisory committee in accordance with
the provisions of FACA (5 U.S.C. 10).
The Federal Risk and Authorization
Management Program (FedRAMP)
within GSA is responsible for providing
a standardized, reusable approach to
security assessment and authorization
for cloud computing products and
services that process unclassified
information used by agencies.

The FSCAC will provide advice and
recommendations to the Administrator
of GSA, the FedRAMP Board, and
agencies on technical, financial,
programmatic, and operational matters
regarding the secure adoption of cloud
computing products and services. The
FSCAC will ensure effective and
ongoing coordination of agency
adoption, use, authorization,
monitoring, acquisition, and security of

cloud computing products and services
to enable agency mission and
administrative priorities. The purposes
of the Committee are:

- To examine the operations of
FedRAMP and determine ways that
authorization processes can
continuously be improved, including
the following:
 - Measures to increase agency reuse
of FedRAMP authorizations.
 - Proposed actions that can be
adopted to reduce the burden,
confusion, and cost associated with
FedRAMP authorizations for cloud
service providers.
 - Measures to increase the number of
FedRAMP authorizations for cloud
computing products and services
offered by small businesses concerns (as
defined by section 3(a) of the Small
Business Act (15 U.S.C. 632(a)).
 - Proposed actions that can be
adopted to reduce the burden and cost
of FedRAMP authorizations for
agencies.
- Collect information and feedback
on agency compliance with, and
implementation of, FedRAMP
requirements.
- Serve as a forum that facilitates
communication and collaboration
among the FedRAMP stakeholder
community.

The FSCAC will meet no fewer than
three (3) times a calendar year. Meetings
shall occur as frequently as needed,
called, and approved by the DFO.

Purpose of the Meeting and Agenda

As a continuation of the FSCAC
meeting series from October 19, 2023
through November 9, 2023, the January
18, 2024 public meeting will be

regarding their initial recommendations
to the GSA Administrator and to vote on
their deliverable to the GSA
Administrator. The Committee will

their priority initiatives, to include
authorization path improvements,
continuous monitoring (ConMon)
