

products identified or referenced in Table 1 in Unit III.

In any order issued in response to these requests for amendments to terminate uses, the Agency proposes to include the following provisions for the treatment of any existing stocks of the products identified or referenced in Table 2 in Unit III.

The registrants have requested voluntary cancellation of the arsenic registrations identified in Table 1 and voluntary amendment to terminate certain uses of the arsenic registrations identified in Table 2. Pursuant to section 6(f) of FIFRA, EPA intends to grant the requests for voluntary cancellation and amendment.

As outlined in the organic arsenicals Agreement in Principle the following existing stocks dates are being proposed. EPA encourages stakeholders to submit comments on these existing stocks timeframes. Comments will be evaluated and the final existing stocks timeframes will be incorporated into the cancellation order which will be published in the **Federal Register**.

After December 31, 2009, registrants would be prohibited from selling or distributing existing stocks of products containing MSMA labeled for all uses, except cotton, sod farms, golf courses, and highway rights-of-way. Also, after December 31, 2009, registrants would be prohibited from selling or distributing existing stocks of products containing DSMA, CAMA, cacodylic acid and its sodium salt.

After June 30, 2010, persons other than registrants would be prohibited from selling or distributing existing stocks of products containing MSMA labeled for all uses, except cotton, sod farms, golf courses, and highway rights-of-way, and products containing DSMA, CAMA, and/or cacodylic acid and its sodium salt.

After December 31, 2010, use of products containing MSMA labeled for all uses, except cotton, sod farms, golf courses, and highway rights-of-way and products containing DSMA, CAMA, cacodylic acid and its sodium salt would be prohibited.

After December 31, 2012, registrants would be prohibited from selling or distributing existing stocks of products containing MSMA labeled for use on sod farms, golf courses, and highway rights-of-way.

After June 30, 2013, persons other than registrants would be prohibited from selling or distributing existing stocks of products containing MSMA labeled for use on sod farms, golf courses, and highway rights-of-way.

After December 31, 2013, use of products containing MSMA labeled for

all uses, except cotton, would be prohibited.

If the request for voluntary cancellation and use termination is granted, the Agency intends to publish the cancellation order in the **Federal Register**.

Special arrangements should be made for deliveries of boxed information. The Docket Facility telephone number is (703) 305-5805.

Instructions: Direct your comments to docket ID number EPA-HQ-OPP-2009-

0399. EPA's policy is that all comments received will be included in the docket without change and may be made available on-line at <http://www.regulations.gov>, including any personal information provided, unless the comment includes information claimed to be Confidential Business Information (CBI) or other information whose disclosure is restricted by statute. Do not submit information that you consider to be CBI or otherwise protected through www.regulations.gov or e-mail. The www.regulations.gov website is an "anonymous access" system, which means EPA will not know your identity or contact information unless you provide it in the body of your comment. If you send an e-mail comment directly to EPA without going through www.regulations.gov, your e-mail address will be automatically captured and included as part of the comment that is placed in the docket and made available on the Internet. If you submit an electronic comment, EPA recommends that you include your name and other contact information in the body of your comment and with any disk or CD-ROM you submit. If EPA cannot read your comment due to technical difficulties and cannot contact you for clarification, EPA may not be able to consider your comment. Electronic files should avoid the use of special characters, any form of encryption, and be free of any defects or viruses.

Docket: All documents in the docket are listed in the docket index available at <http://www.regulations.gov>. Although listed in the index, some information is not publicly available, e.g., CBI or other information whose disclosure is restricted by statute. Certain other material, such as copyrighted material, is not placed on the Internet and will be publicly available only in hard copy form. Publicly available docket materials are available either in the electronic docket at <http://www.regulations.gov>, or, if only available in hard copy, at the OPP Regulatory Public Docket in Rm. S-4400, One Potomac Yard (South Bldg.), 2777 S. Crystal Dr., Arlington, VA. The hours of operation of this Docket Facility are from 8:30 a.m. to 4 p.m., Monday through Friday, excluding legal holidays. The Docket Facility telephone number is (703) 305-5805.

SUPPLEMENTARY INFORMATION:

I. General Information

A. Does this Action Apply to Me?

You may be potentially affected by this action if you are an agricultural producer, food manufacturer, or pesticide manufacturer. Potentially affected entities may include, but are not limited to:

- Crop production (NAICS code 111).
- Animal production (NAICS code 112).
- Food manufacturing (NAICS code 311).
- Pesticide manufacturing (NAICS code 32532).

This listing is not intended to be exhaustive, but rather provides a guide for readers regarding entities likely to be affected by this action. Other types of entities not listed in this unit could also be affected. The North American Industrial Classification System (NAICS) codes have been provided to assist you and others in determining whether this action might apply to certain entities. If you have any questions regarding the applicability of this action to a particular entity, consult the person listed under **FOR FURTHER INFORMATION CONTACT**.

B. What Should I Consider as I Prepare My Comments for EPA?

1. *Submitting CBI.* Do not submit this information to EPA through regulations.gov or e-mail. Clearly mark the part or all of the information that you claim to be CBI. For CBI information in a disk or CD-ROM that you mail to EPA, mark the outside of the disk or CD-ROM as CBI and then identify electronically within the disk or CD-ROM the specific information that is claimed as CBI. In addition to one complete version of the comment that includes information claimed as CBI, a copy of the comment that does not contain the information claimed as CBI must be submitted for inclusion in the public docket. Information so marked will not be disclosed except in accordance with procedures set forth in 40 CFR part 2.

2. *Tips for preparing your comments.* When submitting comments, remember to:

- i. Identify the document by docket ID number and other identifying information (subject heading, **Federal Register** date and page number).
- ii. Follow directions. The Agency may ask you to respond to specific questions or organize comments by referencing a

Code of Federal Regulations (CFR) part or section number.

iii. Explain why you agree or disagree; suggest alternatives and substitute language for your requested changes.

iv. Describe any assumptions and provide any technical information and/or data that you used.

v. If you estimate potential costs or burdens, explain how you arrived at your estimate in sufficient detail to allow for it to be reproduced.

vi. Provide specific examples to illustrate your concerns and suggest alternatives.

vii. Explain your views as clearly as possible, avoiding the use of profanity or personal threats.

viii. Make sure to submit your comments by the comment period deadline identified.

II. Registration Applications

EPA received an application as follows to register a pesticide product that proposes a new use for one of its currently registered active ingredients. Notice of receipt of this application does not imply a decision by the Agency on the applications.

A. Product Proposing the New Use/Changed Use Pattern For Certain of the Active Ingredients.

File Symbol: 84592-R. *Applicant:* Japan Ecologia, Co., Ltd.; Wing 410 Building; 4-10-8 Sendagaya; Shibuya-ku Tokyo 151-0051, Japan; *Designated U.S. representative:* Pyxis Regulatory Consulting, Inc. 4110 136th St. NW; Gig Harbor, WA 98332. *Product name:* ByLohas Pestcontroller. *Active ingredient:* Insecticide and Azadirachtin at 0.66%. *Proposal classification/Use:* None. A. Bryceland).

B. Description of the New Use/Changed Use Pattern Represented by the Above-mentioned Proposed Product Registration Application

This notice is being issued because the proposed pesticide product (i.e., EPA File Symbol 84592-R) contains the active ingredient, azadirachtin, whose inclusion in this proposed insecticide product represents a new use pattern for this active ingredient, and well as the first public health claim (i.e., cockroach control) for this active ingredient.

Program Requirement Revisions Related to the Public Water System Supervision Programs for the Commonwealth of Massachusetts and the State of Rhode Island

AGENCY: Environmental Protection Agency (EPA).

ACTION: Notice.

SUMMARY: Notice is hereby given that the Commonwealth of Massachusetts and the State of Rhode Island are in the process of revising their respective approved Public Water System Supervision (PWSS) programs to meet the requirements of the Safe Drinking Water Act (SDWA).

The Commonwealth of Massachusetts has adopted drinking water regulations for the Long Term 1 Enhanced Surface Water Treatment Rule (67 FR 1812) promulgated on January 14, 2002. After review of the submitted documentation, EPA has determined that the Commonwealth of Massachusetts' Long Term 1 Enhanced Surface Water Treatment Rule is no less stringent than the corresponding federal regulations. Therefore, EPA intends to approve Massachusetts' PWSS program revision for this rule.

The State of Rhode Island has adopted drinking water regulations for the Interim Enhanced Surface Water Treatment Rule (63 FR 69478) promulgated on December 16, 1998, the Long Term 1 Enhanced Surface Water Treatment Rule (63 FR 69389) promulgated on December 16, 1998, and the Radionuclides Rule (66 FR 76708-76753) promulgated on December 7, 2000. After review of the submitted documentation, EPA has determined that these rules are no less stringent than the corresponding federal regulations. Therefore, EPA intends to approve Rhode Island's PWSS program revision for these rules.

DATES: All interested parties may request a public hearing for any of the above EPA determinations. A request for a public hearing must be submitted within thirty (30) days of this **Federal Register** publication date to the Regional Administrator at the address
