SUPPLEMENTARY INFORMATION: The Assistant Secretary of Labor for Occupational Safety and Health invites interested persons to submit nominations for membership on ACCSH.

Background. ACCSH is a continuing advisory committee established under Section 107 of the Contract Work Hours and Safety Standards Act (Construction Safety Act (CSA))(40 U.S.C. 3704(d)(4)), to advise the Secretary of Labor (Secretary) in formulating construction safety and health standards, as well as on policy matters arising under the CSA and the Occupational Safety and Health Act of 1970 (OSH Act)(29 U.S.C. 651 *et seq.*). In particular, 29 CFR 1911.10(a) and 1912.3(a) provide that the Assistant Secretary shall consult with ACCSH whenever the Agency proposes any occupational safety or health standard that affects the construction industry.

ACCSH operates in accordance with the CSA, the OSH Act, the Federal Advisory Committee Act (FACA) (5 U.S.C. App. 2), and regulations issued pursuant to those statutes (29 CFR parts 1911 and 1912, 41 CFR part 102–3).

ACCSH generally meets two to four times a year.

ACCSH membership. ACCSH consists of 15 members appointed by the Secretary.

The categories of ACCSH membership, the total number of members in each category, and the number of new members to be appointed in each category, are:

- Five members who are qualified by experience and affiliation to present the viewpoint of employers in the construction industry: three new employer representatives will be appointed;
- Five members who are similarly qualified to present the viewpoint of employees in the construction industry: three new employee representatives will be appointed;
- Two representatives of State safety and health agencies: one new representative will be appointed;
- Two public members, qualified by knowledge and experience to make a useful contribution to the work of ACCSH, such as those who have professional or technical experience and competence with occupational safety and health in the construction industry: one new public representative will be appointed; and
- One representative designated by the Department of Health and Human Services and appointed by the Secretary: no new appointment will be made in this category.

ACCSH members normally serve staggered two-year terms, unless they resign, cease to be qualified, become unable to serve, or are removed by the Secretary (29 CFR 1912.3(e)). At the discretion of the Secretary, a qualified ACCSH member whose term has expired may continue to serve until a successor is appointed (29 CFR 1912.3(i)). The Secretary may appoint ACCSH members to successive terms. No member of ACCSH, other than members who represent employers or employees, shall have an economic interest in any proposed rule that affects the construction industry (29 CFR 1912.6).

The Department of Labor is committed to equal opportunity in the workplace and seeks broad-based and diverse ACCSH membership. Any interested person or organizations may nominate one or more individuals for membership on ACCSH. Interested persons also are invited and encouraged to submit statements in support of particular nominees.

Submission requirements. Nominations must include the following information:

(1) Nominee's contact information and current employment or position;

(2) Nominee's resume or curriculum vitae, including prior membership on ACCSH and other relevant organizations and associations;

(3) Categories of membership (employer, employee, public, State safety and health agency) that the nominee is qualified to represent;

(4) A summary of the background, experience, and qualifications that addresses the nominee's suitability for the nominated membership category;

(5) Articles or other documents the nominee has authored that indicate the nominee's knowledge, experience, and expertise in occupational safety and health, particularly as it pertains to the construction industry; and

(6) A statement that the nominee is aware of the nomination, is willing to regularly attend and participate in ACCSH meetings, and has no conflicts of interest that would preclude membership on ACCSH.

Member selection. The Secretary will select ACCSH members on the basis of their experience, knowledge, and competence in the field of occupational safety and health, particularly in the construction industry. Information, received through this nomination process, and other relevant sources of information, will assist the Secretary in appointing members to ACCSH. In selecting ACCSH members, the Secretary will consider individuals nominated in response to this **Federal Register** notice, as well as other qualified individuals. OSHA will publish the list of new ACCSH members in the **Federal Register**.
