

Spiral-Trace Sensor,” NASA Case Number LAR-17294-1; U.S. Patent No. 8,673,649 B2 for an invention titled “Wireless Chemical Sensor and Sensing Method for Use Therewith,” NASA Case Number LAR-17579-1; U.S. Patent No. 9,329,149 B2 for an invention titled “Wireless Chemical Sensor and Sensing Method for Use Therewith,” NASA Case Number LAR-17579-2; U.S. Patent No. 9,733,203 B2 for an invention titled “Wireless Chemical Sensing Method,” NASA Case Number LAR-17579-3; U.S. Patent No. 10,031,031 B2 for an invention titled “Wireless Temperature Sensing Method Using No Electrical Connections,” NASA Case Number LAR-17747-1-CON; U.S. Patent No. 10,605,673 B2 for an invention titled “Wireless Temperature Sensor Having No Electrical Connections,” NASA Case Number LAR-17747-2-CON; U.S. Patent No. 10,180,341 B2 for an invention titled “Multi-Layer Wireless Sensor Construct for Use at Electrically-Conductive Material Surfaces,” NASA Case Number LAR-18399-1; and U.S. Patent Application No. 10,193,228 B2 for an invention titled “Antenna for Far Field Transceiving,” NASA Case Number LAR-18400-1 to Aquatherm LP, having its principal place of business in Lindon, UT. The fields of use may be limited to polypropylene and plastic containers and pipes, and associated fittings and joints, within residential structures, and including but not limited to the non-destructive evaluation of the aforementioned containers and pipes and the detection of conditions and states of the contents therein, and/or similar field(s) of use thereto. NASA has not yet made a determination to grant the requested license and may deny the requested license even if no objections are submitted within the comment period.

DATES: The prospective partially exclusive license may be granted unless NASA receives written objections including evidence and argument, no later than January 29, 2021 that establish that the grant of the license would not be consistent with the requirements regarding the licensing of federally owned inventions as set forth in the Bayh-Dohle Act and implementing regulations. Competing applications completed and received by NASA no later than January 29, 2021 will also be treated as objections to the grant of the contemplated partially exclusive license. Objections submitted in response to this notice will not be made available to the public for inspection and, to the extent permitted by law, will not be released under the Freedom of Information Act.

ADDRESSES: Objections relating to the prospective license may be submitted to Patent Counsel, Office of the General Counsel, NASA Langley Research Center. Phone (757) 864-3221. Email: robin.w.edwards@nasa.gov.

FOR FURTHER INFORMATION CONTACT: Robin W. Edwards, Patent Counsel, Office of the General Counsel, NASA Langley Research Center. Phone (757) 864-3221. Email: robin.w.edwards@nasa.gov.

SUPPLEMENTARY INFORMATION: This notice of intent to grant a partially exclusive patent license is issued in accordance with 35 U.S.C. 209(e) and 37 CFR 404.7(a)(1)(i). The patent rights in these inventions have been assigned to the United States of America as represented by the Administrator of the National Aeronautics and Space Administration. The prospective partially exclusive license will comply with the requirements of 35 U.S.C. 209 and 37 CFR 404.7.

Information about other NASA inventions available for licensing can be found online at <http://technology.nasa.gov>.

AGENCY: Institute of Museum and Library Services, National Foundation for the Arts and the Humanities.

ACTION: Submission for OMB Review, comment request.

SUMMARY: The Institute of Museum and Library Services announces that the following information collection has been submitted to the Office of Management and Budget (OMB) for review and approval in accordance with the Paperwork Reduction Act. This program helps to ensure that requested data can be provided in the desired format, reporting burden (time and financial resources) is minimized, collection instruments are clearly understood, and the impact of collection requirements on respondents can be properly assessed. The purpose of this

Notice is to solicit comments about this assessment process, instructions, and data collections.

A copy of the proposed information collection request can be obtained by contacting the individual listed below in the **ADDRESSES** section of this notice.

DATES: Written comments must be submitted to the office listed in the **FOR FURTHER INFORMATION CONTACT** section below on or before February 15, 2021.

OMB is particularly interested in comments that help the agency to:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
- Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- Enhance the quality, utility, and clarity of the information to be collected; and
- Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology (e.g., permitting electronic submission of responses).

ADDRESSES: Written comments and recommendations for proposed information collection requests should be sent within 30 days of publication of this notice to www.reginfo.gov/public/do/PRAMain. Find this particular information collection request by selecting “Institute of Museum and Library Services” under “Currently Under Review;” then check “Only Show ICR for Public Comment” checkbox. Once you have found this information collection request, select “Comment,” and enter or upload your comment and information. Alternatively, please mail your written comments to Office of Information and Regulatory Affairs, Attn.: OMB Desk Officer for Education, Office of Management and Budget, Room 10235, Washington, DC 20503, or call (202) 395-7316.

SUPPLEMENTARY INFORMATION: The Institute of Museum and Library Services is the primary source of federal support for the nation's libraries and museums. We advance, support, and empower America's museums, libraries, and related organizations through grant making, research, and policy development. Our vision is a nation where museums and libraries work together to work together to transform the lives of individuals and communities. To learn more, visit www.imls.gov.

Current Actions: The purpose of this collection is to support existing Native Hawaiian library operations and maintain core library services, particularly as they relate to the following goals in the Museum and Library Services Act (20 U.S.C. 9141).

1. Expanding services for learning and access to information and educational resources in a variety of formats (including new and emerging technology), in all types of libraries, for individuals of all ages in order to support such individuals' need for education, lifelong learning, workforce development, economic and business development, health information, critical thinking skills, digital library skills, and financial literacy and other types of literacy skills.

2. Establishing or enhancing electronic and other linkages and improved coordination among and between libraries and entities, as described in 20 U.S.C. 9134(b)(6), for the purpose of improving the quality of and access to library and information services.

3. Providing training and professional development, including continuing education, to enhance the skills of the current library workforce and leadership, and advance the delivery of library and information services; and enhancing efforts to recruit future professionals, including those from diverse and underrepresented backgrounds, to the field of library and information services.

4. Developing public and private partnerships with other agencies, tribes, and community-based organizations.

5. Targeting library services to individuals of diverse geographic, cultural, and socioeconomic backgrounds, to individuals with disabilities, and to individuals with limited functional literacy or information skills.

6. Targeting library and information services to persons having difficulty using a library and to underserved

urban and rural communities, including children (from birth through age 17) from families with incomes below the poverty line (as defined by the Office of Management and Budget and revised annually in accordance with 42 U.S.C. 9902(2)) applicable to a family of the size involved.

7. Developing library services that provide all users access to information through local, State, regional, national, and international collaborations and networks.

8. Carrying out other activities consistent with the purposes of the Library Services and Technology subchapter of the IMLS statute (20 U.S.C. 9121).

Nonprofit organizations that primarily serve and represent Native Hawaiians (as the term is defined in 20 U.S.C. 7517) are eligible to apply for funding under the Naïve Hawaiian Library Program.

This action is to renew the forms and instructions for the Notice of Funding Opportunities for the next three years.
