SUPPLEMENTARY INFORMATION:

AmeriCorps Education Award Utilization Survey

Background

One of the goals of the AmeriCorps program is furthering the educational opportunities of its members. The AmeriCorps Education Award provides up to \$4,725 to help a member pay for further education or to repay student loans. Part-time members get a pro-rated portion of that amount. The Corporation's National Service Trust data showed that about half of the AmeriCorps graduates who have earned Education Awards had begun to use them. Through the proposed study, the Corporation seeks to identify reasons for non-use of Education Awards. In addition, a thorough exploration of trends in non-use and reasons for non-use will identify ways in which the Corporation can meaningfully increase the use of Education Awards, thus furthering educational opportunity.

Current Action

The Corporation seeks to conduct a survey of former members of the AmeriCorps*State and National, AmeriCorps*VISTA and AmeriCorps*NCCC programs. This survey will entail telephone interviews of approximately 30 minutes in length with 1,000 former AmeriCorps members. It will identify trends in and reasons for non-use of the Educational Awards.
