

Certain Regulations Under Income Tax Treaties.

OMB Number: 1545-1484.

Regulation Project Number: REG-242282-97 (formerly INTL-62-90; INTL-32-93; INTL-52-86; INTL-52-94).

Abstract: This regulation prescribes collections of information for foreign persons that received payments subject to withholding under sections 1441, 1442, 1443, or 6114 of the Internal Revenue Code. This information is used to claim foreign person status and, in appropriate cases, to claim residence in a country with which the United States has an income tax treaty in effect, so that withholding at a reduced rate of tax may be obtained at source. The regulation also prescribes collections of information for withholding agents. This information is used by withholding agents to report to the IRS income paid to a foreign person that is subject to withholding under Code sections 1441, 1442, and 1443. The regulation also requires that a foreign taxpayer claiming a reduced amount of withholding tax under the provisions of an income tax treaty must disclose its reliance upon a treaty provision by filing Form 8833 with its U.S. income tax return.

Current Actions: There is no change to this existing regulation.

Type of Review: Extension of a currently approved collection.

Affected Public: Business or other for-profit organizations, individuals or households, not-for-profit institutions, farms, and Federal, state, local or tribal governments.

The burden for the reporting requirements is reflected in the burden of Forms W-8BEN, W08ECI, W-8EXP, W-8IMY, 1042, 1042S, 8233, 8833, and the income tax return of a foreign person filed for purposes of claiming a refund of tax.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless the collection of information displays a valid OMB control number. Books or records relating to a collection of information must be retained as long as their contents may become material in the administration of any internal revenue law. Generally, tax returns and tax return information are confidential, as required by 26 U.S.C. 6103.

Request for Comments: Comments submitted in response to this notice will be summarized and/or included in the request for OMB approval. All comments will become a matter of public record. Comments are invited on: (a) Whether the collection of information is necessary for the proper performance of the functions of the

agency, including whether the information shall have practical utility; (b) the accuracy of the agency's estimate of the burden of the collection of information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology; and (e) estimates of capital or start-up costs and costs of operation, maintenance, and purchase of services to provide information.
