SUPPLEMENTARY INFORMATION:**Background**

On July 2, 2003, the Department published a notice of opportunity to request an administrative review of the antidumping duty order on SSSS from Taiwan. *See Antidumping or Countervailing Duty Order, Finding, or Suspended Investigation; Opportunity to Request Administrative Review*, 68 FR 39511 (July 2, 2003). On July 24, 2003, Chia Far Industrial Factory Co. Ltd. ("Chia Far"), a Taiwanese producer of subject merchandise, requested that the Department conduct an administrative review of its sales of subject merchandise during the period of review. On July 30, 2003, petitioners¹ requested that the Department conduct an administrative review of Chia Far, Yieh United Steel Corporation ("YUSCO"), Tung Mung Development Co., Ltd., Ta Chen Stainless Pipe Co., Ltd., China Steel Corporation, Tang Eng Iron Works, PFP Taiwan Co., Ltd., Yieh Loong Enterprise Co., Ltd., Yieh Trading Corp., Goang Jau Shing Enterprise Co., Ltd., Yieh Mau Corp., Chien Shing Stainless Co., Chain Chon Industrial Co., Ltd., and their various affiliates. On

August 22, 2003, the Department published a notice of initiation of a review of SSSS from Taiwan covering the period July 1, 2002 through June 30, 2003. *See Initiation of Antidumping and Countervailing Duty Administrative Reviews and Requests for Revocation in Part*, 68 FR 50750 (August 22, 2003). On February 5, 2004, the Department extended the time limit for the preliminary results of this administrative review by 60 days. *See Stainless Steel Sheet and Strip in Coils from Taiwan: Extension of Time Limits for Preliminary Results of Antidumping Duty Administrative Review*, 69 FR 5497 (February 5, 2004). The preliminary results of review are currently due no later than May 31, 2004.

Extension of Time Limits for Preliminary Results

Section 751(a)(3)(A) of the Tariff Act of 1930, as amended ("the Act") states that the administering authority shall make a preliminary determination within 245 days after the last day of the month in which occurs the anniversary of the date of publication of the order, finding, or suspension agreement for which the review under section 751(a)(1) is requested. If it is not practicable to complete the review within the foregoing time, the administering authority may extend that 245-day period to 365 days. Completion of the preliminary results within a 245-day period is impracticable for the following reasons: (1) In order to calculate margins for the preliminary results, the Department must first resolve a complex inquiry as to whether merchandise entering under certain Harmonized Tariff Schedule classifications should be considered subject merchandise; (2) The review involves a large number of transactions and complex adjustments; (3) The responses from Chia Far and YUSCO include sales and cost information which require the Department to gather and analyze a significant amount of information; and (4) The review involves examining complex relationships between the producers and a large number of customers and suppliers.

Therefore, in accordance with section 751(a)(3)(A) of the Act, and section 351.213(h)(2) of the Department's regulations, we are extending the time period for issuing the preliminary results of review by 60 days from May 31, 2004 until July 30, 2004. The final results continue to be due 120 days after the publication of the preliminary results. This notice is issued and published in accordance with section 751(a)(3)(A) of the Act, and section

351.213(h)(2) of the Department's regulations.

Dated: March 31, 2004.

Barbara E. Tillman,

Acting Deputy Assistant Secretary for Import Administration, Group III.

DEPARTMENT OF COMMERCE**International Trade Administration****[A-533-808]****Stainless Steel Wire Rods From India: Extension of Time Limit for the Final Results of the Antidumping Duty Administrative Review**

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

ACTION: Notice of extension of time limit for the final results of antidumping duty administrative review.

EFFECTIVE DATE: April 6, 2004.

SUMMARY: The Department of Commerce ("the Department") is extending the time limit for the final results of the review of stainless steel wire rods from India. This review covers the period December 1, 2001 through November 30, 2002.

FOR FURTHER INFORMATION CONTACT: Eugene Degnan, Jonathan Herzog, or Kit Rudd, AD/CVD Enforcement, Group III, Office 9, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington DC 20230; telephone: (202) 482-0414, (202) 482-4271 and (202) 482-1385 respectively.

Background

On January 22, 2003, the Department published a notice of initiation of an antidumping duty administrative review of stainless steel wire rods ("SSWR") from India covering the period December 1, 2001 through November 30, 2002. *See Initiation of Antidumping and Countervailing Duty Administrative Reviews and Request for Revocation in Part*, 68 FR 3009 (January 22, 2003). On August 5, 2003, the Department published a notice extending the time limit for the preliminary results by 60 days to December 1, 2003. *See Stainless Steel Wire Rods from India: Notice of Extension of Time Limit for the Preliminary Results of Antidumping Duty Administrative Review*, 68 FR 46164 (August 5, 2003). On November 21, 2003, the Department published a notice extending the time limit for the preliminary results by 11 days to

¹ Petitioners are Allegheny Ludlum Corporation, AK Steel Corporation, Butler Armco Independent Union, J&L Specialty Steel, Inc., United States Steelworkers of America, AFL-CIO/CLC, and Zanesville Armco Independent Organization.

December 12, 2003. *See Stainless Steel Wire Rods from India: Notice of Extension of Time Limit for the Preliminary Results of Antidumping Duty Administrative Review*, 68 FR 65680 (November 21, 2003). On December 19, 2003, the Department published the preliminary determination in this administrative review. *See Stainless Steel Wire Rods from India: Preliminary Results and Partial Rescission of Antidumping Duty Administrative Review*, 68 FR 70765 (December 19, 2003).

Extension of Time Limit of Final Results

Section 751(a)(3)(A) of the Tariff Act of 1930, as amended ("the Act"), requires the Department to issue the final results of an antidumping duty review within 120 days of the date on which the preliminary results are published. However, if the Department concludes that it is not practicable to issue the results by the original deadline, it may extend the 120-day period to 180 days. Completion of the final results of this review within the 120-day period is not practicable because information critical to the review has recently been brought to the attention of the Department. As a result, the official record of the review is being reopened so this information can be entered into the record. Additionally, allowance of sufficient time for parties to submit comments and rebuttals on the augmented official record makes issuance of the final results of the review within the 120-day period impracticable.

Therefore, we are extending the time period for issuing the final results of the review by 30 days until May 17, 2004. This notice is issued and published in accordance with section 751(a)(3)(A) of the Act, and section 351.213(h)(2) of the Department's regulations.
