Title of Collection: Foreign Graduate Medical School Consumer Information Reporting Form.

OMB Control Number: 1845-NEW.

Type of Review: A new information collection.

Respondents/Affected Public: Private Sector; State, Local, or Tribal Government.

Total Estimated Number of Annual Responses: 25.

Total Estimated Number of Annual Burden Hours: 11.

Abstract: This is a request for a new collection to obtain consumer information from foreign graduate medical institutions that participate in the William D. The request is to gain approval of a form for reporting specific graduation information to the Department of Education (Department) with a certification signed by the institutions President/CEO/Chancellor as well as for disseminating that information to prospective U.S. students. The Departments regulations, at 34 CFR 668.14(b)(7), require Title IV participating institutions to submit reports to the Department containing such information as the Secretary may reasonably require to carry out the purposes of the Title IV, HEA programs.
