II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, NASD included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. NASD has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

Regulation T, issued by the Board of Governors of the Federal Reserve System ("FRB") pursuant to the Act, among other things, governs the extension of credit to customers by broker-dealers for purchasing securities.⁶ Rule 15c3-3 under the Act governs, among other things, the time period in which broker-dealers must complete sell orders on behalf of customers.⁷ Under SEC Rule 15c3-3(n), a self-regulatory organization ("SRO") may grant a broker-dealer an extension of time for delivery on sales of securities

⁶ 12 CFR 220.4(c) and 220.8(d). Regulation T generally requires that customers with a cash account pay for securities within five business days of purchase; for customers with a margin account, there must be sufficient minimum margin (typically 50%) to support the purchase.

⁷ 17 CFR 240.15c3-3. In particular, Rule 15c3-3(m) requires a broker-dealer that executes a customer sell order to obtain possession of the securities within ten business days of the settlement date or to close the transaction by purchasing the securities.

if: (1) It is satisfied that the broker-dealer is acting in good faith in making the application; and (2) exceptional circumstances warrant such action. Regulation T has a similar standard to allow an extension of time for payment for purchases of securities.⁸

NASD proposes to amend Section 8 of Schedule A to NASD's By-Laws to increase the service charge for processing each extension of time request pursuant to the provisions of Regulation T and Rule 15c3-3 from \$2 (or \$1 in the case of electronically filed extension of time requests) to \$4 for all manually or electronically filed extension of time requests. NASD believes that the proposed fees align with the actual costs associated with reviewing, processing, recording and responding to such requests. The NYSE similarly increased the fee it charges for extension requests to \$4.00 per extension.⁹

NASD has filed the proposed rule change for immediate effectiveness. The new fee shall be implemented on July 1, 2006.

2. Statutory Basis

NASD believes that the proposed rule change is consistent with the provisions of section 15A(b)(5) of the Act,¹⁰ which requires, among other things, that NASD's rules provide for the equitable allocation of reasonable dues, fees and other charges among members and issuers and other persons using any facility or system that NASD operates or controls. NASD believes that the rule change reflects NASD's increased costs in reviewing, processing and administering the extensions of time requests.

B. Self-Regulatory Organization's Statement on Burden on Competition

NASD does not believe that the proposed rule change will result in any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

⁸ Under Regulation T, a firm's examining authority may grant an extension unless the examining authority believes that the broker-dealer is not acting in good faith or that the broker-dealer has not sufficiently determined that exceptional circumstances warrant such action. See *supra* note 6.

⁹ See Exchange Act Release No. 53235 (February 6, 2006), 71 FR 7820 (February 14, 2006) (SR-NYSE-2005-92) (Notice of Filing and Immediate Effectiveness of a Proposed Rule Change and Amendment No. 1 Thereto Relating to Increasing Certain Fees Charged by the NYSE to Its Members and Member Organizations).

¹⁰ 15 U.S.C. 78o-3(b)(5).

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

Written comments were neither solicited nor received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change is effective upon filing with the Commission pursuant to section 19(b)(3)(A) of the Act¹¹ and Rule 19b-4(f)(2) thereunder,¹² because it establishes or changes a due, fee, or other charge imposed by NASD. At any time within 60 days of the filing of the proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.¹³
