

Service Administration (FSA) and Commodity Credit Corporation (CCC) for establishing an agreed repayment plan in the promissory note using form CCC-279, Promissory Note.

Need and Use of the Information: FSA will collect information on the debtor's assets, liabilities, income and expenses when a debtor requests to enter into an installment agreement to settle their debt. Based on that information a determination can be made on whether the debtor can pay the debt in one lump sum or an installment is necessary. Without this financial information FSA/CCC would have no method of allowing debtor's to pay their debts in installments while still ensuring that the government's financial interests are protected.

Description of Respondents: Individuals or households; Farms; Federal Government.

Number of Respondents: 100.

Frequency of Responses: Reporting: On occasion.

Total Burden Hours: 200.

Submission for OMB Review; Comment Request

February 23, 2006.

The Department of Agriculture has submitted the following information collection requirement(s) to OMB for review and clearance under the Paperwork Reduction Act of 1995, Public Law 104-13. Comments regarding (a) Whether the collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (b) the accuracy of the agency's estimate of burden including the validity of the methodology and assumptions used; (c) ways to enhance the quality, utility and clarity of the information to be collected; (d) ways to minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology should be addressed to: Desk Officer for Agriculture, Office of Information and Regulatory Affairs, Office of Management and Budget (OMB), OIRA_Submission@OMB.EOP.GOV or

fax (202) 395-5806 and to Departmental Clearance Office, USDA, OCIO, Mail Stop 7602, Washington, DC 20250-7602. Comments regarding these information collections are best assured of having their full effect if received within 30 days of this notification. Copies of the submission(s) may be obtained by calling (202) 720-8958.

An agency may not conduct or sponsor a collection of information unless the collection of information displays a currently valid OMB control number and the agency informs potential persons who are to respond to the collection of information that such persons are not required to respond to the collection of information unless it displays a currently valid OMB control number.

National Agriculture Statistics Service

Title: NIOSH Farm Hazard, Injury, and Illness Survey.

OMB Control Number: 0535-0235.

Summary of Collection: Primary function of the National Agricultural Statistics Services (NASS) is to prepare and issue state and national estimates of crop and livestock production under the authority of 7 U.S.C 2204(a). NASS has been asked by the National Institute of Occupational Safety Health (NIOSH) to conduct a national farm hazard, injury, and illness survey. The survey is designed to provide estimates of the frequency of injury and illness hazards on farms; the number of farm operators, workers, and farm youth potentially exposed to these hazards; the association between hazards and the type of farming operation; and the annual occupational nonfatal injury and illness incidence rates for farm operators.

Need and Use of the Information: Data from this survey will provide source of consistent information that NIOSH can use to target funds appropriated by Congress for the prevention of childhood agricultural injuries and adult occupational injuries. In particular, it will provide information on which farm hazards and health outcomes most need to be addressed. No source of data on childhood injuries or adult occupational farm injuries exists that covers all aspects of the agricultural production sector.

Description of Respondents: Farms.

Number of Respondents: 25,500.

Frequency of Responses: Reporting: Other: One-time.

Total Burden Hours: 8,496.

Agricultural Marketing Service

[Docket Number FV-05-303]

United States Standards for Grades of Bunched Italian Sprouting Broccoli

AGENCY: Agricultural Marketing Service, USDA.

ACTION: Notice.

SUMMARY: The Agricultural Marketing Service (AMS) is soliciting comments on its proposal to revise the United States Standards for Grades of Bunched Italian Sprouting Broccoli. At a 2003 meeting of the Fruit and Vegetable Industry Advisory Committee, AMS was asked to review all the fresh fruit and vegetable standards for usefulness in serving the industry. The current U.S. grade standards do not have provisions for grading broccoli crowns and florets. The proposed revisions will allow crowns and florets to be certified to a United States grade.

DATES: Comments must be received by May 1, 2006.

ADDRESSES: Interested persons are invited to submit written comments to the Standardization Section, Fresh Products Branch, Fruit and Vegetable Programs, Agricultural Marketing Service, U.S. Department of Agriculture, 1400 Independence Ave. SW., Room 1661 South Building, Stop 0240, Washington, DC 20250-0240; Fax (202) 720-8871, E-mail FPB.DocketClerk@usda.gov. Comments should make reference to the dates and page number of this issue of the **Federal Register** and will be made available for public inspection in the above office during regular business hours. The United States Standards for Grades of Bunched Italian Sprouting Broccoli is available either at the above address or by accessing the AMS, Fresh Products Branch Web site at: <http://www.ams.usda.gov/standards/standfrfv.htm>.
