

percent of the direct labor cost for the project (including subcontractor labor) in the U.S.. At current planning levels, and subject to the availability of funds, DOE expects to provide up to approximately \$3,400,000 to support work under this solicitation. Applications which include performance of Federal agencies and agents (i.e. Management and Operations (M&O) contractors and/or National Laboratories) as a team member will be acceptable under this solicitation if the proposed use of any such entities is specifically authorized by the executive Federal agency managing the M&O or National Laboratory, and the work is not otherwise available from the private sector. Such work, if approved, would be accomplished through a direct transfer of funding from the NETL to the M&O contractor and/or National Laboratory. Even though participation of an M&O and/or National Laboratory may be appropriate, their participation cannot exceed thirty-five (35) percent of the applicant's total estimated project cost.

Once released, the solicitation will be available for downloading from the IIPS Internet page. At this Internet site you will also be able to register with IIPS, enabling you to submit an application. If you need technical assistance in registering or for any other IIPS function, call the IIPS Help Desk at (800) 683-0751 or e-mail the Help Desk personnel at IIPS_HelpDesk@e-center.doe.gov. The solicitation will only be made available in IIPS, no hard (paper) copies of the solicitation and related documents will be made available.

Prospective applicants who would like to be notified as soon as the solicitation is available should subscribe to the Business Alert Mailing List at <http://www.netl.doe.gov/business>. Once you subscribe, you will receive an announcement by e-mail that the solicitation has been released to the public. Telephone requests, written requests, e-mail requests, or facsimile requests for a copy of the solicitation package will not be accepted and/or honored. Applications must be prepared and submitted in accordance with the instructions and forms contained in the solicitation. The actual solicitation document will allow for requests for explanation and/or interpretation.

Big West Oil, LLC, Chevron Products Company and Tesoro Refining and Marketing Company, Complainants, v. Alberta Energy Company, Ltd., Express Pipeline LLC and Platte Pipe Line Company, Respondents; Notice of Complaint

February 22, 2002.

Take notice that on February 21, 2002, Big West Oil LLC (Big West), Chevron Products Company (Chevron), and Tesoro Refining and Marketing Company (Tesoro) tendered for filing a Complaint against Alberta Energy Company, Ltd. (AEC), Express Pipeline LLC (Express) and Platte Pipe Line Company (Platte).

Big West, Chevron and Tesoro state in their Complaint that in order to transport crude oil and synthetic crude oil to their refineries in Salt Lake City, Utah, they must utilize a "pump over" facility that Platt Pipe Line Company operates in Casper, Wyoming. That pump over facility is used to transfer crude petroleum and synthetic crude oil in Casper, Wyoming from the Express pipeline to a pipeline operated by Frontier Pipeline Company. Big West, Chevron, and Tesoro allege that the fees being charged for the use of the Platte pump over facility are unjust and unreasonable and unduly discriminatory and unduly preferential and, therefore, in violation of the Interstate Commerce Act. Big West,
