

are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

Overview of This Information Collection

(1) *Type of Information Collection:* New collection.

(2) *Title of the Form/Collection:* Semi-Annual Progress Report for Justice for Families Program.

(3) *Agency form number, if any, and the applicable component of the Department of Justice sponsoring the collection:* Form Number: 1122-XXXX. U.S. Department of Justice, Office on Violence Against Women.

(4) *Affected public who will be asked or required to respond, as well as a brief abstract:* The affected public includes the current grantees under the Justice for Families Program. The Justice for Families Program improves the response of all aspects of the civil and criminal justice system to families with a history of domestic violence, dating violence, sexual assault and stalking, or in cases involving allegations of child sexual abuse. Eligible applicants are states, units of local government, courts, Indian tribal governments, nonprofit organizations, legal service providers, and victim services providers. The affected public includes the approximately 70 Justice for Families Program grantees.

(5) *An estimate of the total number of respondents and the amount of time estimated for an average respondent to respond/reply:* It is estimated that it will take the approximately 70 respondents (Justice for Families Program grantees) approximately one hour to complete a semi-annual progress report. The semi-annual progress report is divided into sections that pertain to the different types of activities in which grantees may engage. A Justice for Families Program grantee will only be required to complete the sections of the form that pertain to its own specific activities.

(6) *An estimate of the total public burden (in hours) associated with the collection:* The total annual hour burden to complete the data collection forms is 140 hours, that is 70 grantees completing a form twice a year with an estimated completion time for the form being one hour.

Notice of Lodging of Proposed Consent Decrees Under the Comprehensive Environmental Response, Compensation, and Liability Act

Notice is hereby given that on September 29, 2015, a proposed consent decree in *United States v. Wyeth Holdings LLC*, Civil Action No. 3:15-cv-07153-AET, was lodged with the United States Court for the District of New Jersey. In this action brought pursuant to Sections 106, 107, and 113(g)(2) of the Comprehensive Environmental Response, Compensation, and Liability Act of 1980, 42 U.S.C. 9606, 9607 and 9613(g)(2) ("CERCLA"), the United States seeks injunctive relief requiring Wyeth Holdings LLC to undertake certain environmental response actions at the American Cyanamid Superfund Site located in Bridgewater, New Jersey. The United States also seeks to recover costs incurred and to be incurred by the United States in response to releases or threatened releases of hazardous substances at or from the Site.

The settlement requires Wyeth Holdings LLC to perform the remedies selected by the Environmental Protection Agency in the Records of Decision for Operable Unit 2, involving revegetation, and Operable Unit 4, involving the remediation of almost all site-wide soils, groundwater, and six waste disposal impoundments. The settlement also requires Settling Defendant to reimburse EPA \$1,000,000 in past response costs and pay EPA's future oversight costs related to the cleanup.

The publication of this notice opens a period for public comment on the consent decree. Comments should be addressed to the Assistant Attorney General, Environment and Natural Resources Division, and should refer to *United States v. Wyeth Holdings LLC*, D.J. Ref. No. 90-11-3-07250/1. All comments must be submitted no later than thirty (30) days after the publication date of this notice. Comments may be submitted either by email or by mail:

Notice of Lodging of Proposed Consent Decree Under the Clean Water Act and Oil Pollution Act

Notice is hereby given that on October 5, 2015, a proposed Consent Decree ("Decree") will be lodged in *U.S. v. BP Exploration and Production, et al*, Civil No. 10-4536 (E.D. La.) (centralized in MDL 2179: *In Re: Oil Spill by the Oil Rig "Deepwater Horizon" in the Gulf of Mexico, on April 20, 2010*).

In this civil enforcement action the United States sought, among other things, civil penalties under Section 311(b) of the Clean Water Act, 33 U.S.C. 1321(b), and a declaration of liability for natural resource damages under the Oil Pollution Act, 33 U.S.C. 2702, against BP Exploration and Production Company, Inc. ("BP"). The claims arise against BP (and other defendants as well) from the discharge of oil into the Gulf of Mexico resulting from the blowout of the Macondo Well that began in April 2010.

Under the proposed Decree, BP, among other things, will pay (1) a \$5.5 billion civil penalty under the Clean Water Act; (2) \$8.1 billion for natural resource damages under the Oil Pollution Act (including the \$1 billion that BP had previously pledged under a prior agreement), plus up to \$700
