*OMB Control Number:* 0579-0142.

*Summary of Collection:* The United States Department of Agriculture (USDA) is responsible for preventing plant diseases or insect pests from entering the United States, preventing the spread of pests not widely distributed in the United States, and eradicating those imported pests when eradication is feasible. Under the Plant Protection Act (7 U.S.C. 7701-7772), the Secretary of Agriculture is authorized to regulate the importation of plants, plant products, other articles to prevent the introduction of injurious plant pests. The Plant Protection and Quarantine Division of USDA's Animal and Plant Health Inspection Service (APHIS) are responsible for ensuring that these regulations are enforced. Implementing these regulations is necessary in order to prevent injurious insect pests and plant diseases from entering the United States, a situation that could produce serious consequences for U.S. agriculture.
