Announcement of a Special Review of Products for Argentina, Philippines and Turkey

In a **Federal Register** notice dated April 13, 2001, USTR initiated the 2001 GSP Annual Review and announced a deadline of June 13, 2001, for the filing of petitions (66 FR 19278). The received product petitions requested changes in the eligibility of products by adding or removing products, or by waiving the "competitive need limitations" (CNLs) for a country for eligible articles. Authorization for granting CNLs waivers is set forth in section 503(d) of the Trade Act (19 U.S.C. 2463(d)).

The interagency GSP Subcommittee of the Trade Policy Staff Committee (TPSC) has reviewed the petitions and decided to initiate a Special Review of petitions from Argentina, Philippines and Turkey involving 17 products. The Annex to this notice sets forth the case number, product identification, the change requested and the petitioner for each product included in this review. Acceptance of a petition for review does not indicate any opinion with respect to disposition on the merits of the petition. Acceptance indicates only that the listed petitions have been found eligible for review by the GSP Subcommittee and that such review will take place.

Any modifications to the list of articles eligible for duty-free treatment under the GSP resulting from this Special Review will be announced on or about January 31, 2003, and any changes may take effect 30 days from publication in the **Federal Register**.
