other submissions filed in connection with *inter partes* and *ex parte* proceedings. These petitions, notices, extensions, and additional papers are filed with the Trademark Trial and Appeal Board (TTAB), an administrative tribunal empowered to determine the right to register and subsequently determine the validity of a trademark. The information in this collection must be submitted electronically through the TTAB's electronic filing system. If applicants or entities wish to submit the petitions, notices, extensions, and additional papers in *inter partes* and *ex parte* cases, they may use the forms provided through the TTAB's electronic filing system.
