Certain Frozen Warmwater Shrimp From the Socialist Republic of Vietnam: Extension of Preliminary Results of Antidumping Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce ("Department") is extending the time limit for the preliminary results of the administrative review of certain frozen warmwater shrimp from the Socialist Republic of Vietnam ("Vietnam"). The review covers the period February 1, 2009, through January 31, 2010.

DATES: *Effective Date:* September 14, 2010.

FOR FURTHER INFORMATION CONTACT: Jerry Huang or Susan Pulongbarit, AD/CVD Operations, Office 9, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230; telephone: (202) 482-4047 or (202) 482-4031, respectively.

Background

On April 9, 2010, the Department published in the **Federal Register** a notice of initiation of the administrative reviews of the antidumping duty orders on certain frozen warmwater shrimp from Vietnam and the People's Republic of China. *See Notice of Initiation of Administrative Reviews and Requests for Revocation in Part of the Antidumping Duty Orders on Certain Frozen Warmwater Shrimp From the Socialist Republic of Vietnam and the People's Republic of China*, 75 FR 18154 (April 9, 2010). The preliminary results of the review for certain frozen warmwater shrimp from Vietnam is currently due no later than October 31, 2010.

Statutory Time Limits

In antidumping duty administrative reviews, section 751(a)(3)(A) of the Tariff Act of 1930, as amended ("the Act"), requires the Department to make a preliminary determination within 245 days after the last day of the anniversary month of an order for which a review is requested and a final determination within 120 days after the date on which the preliminary results are published. However, if it is not practicable to complete the review within these time periods, section 751(a)(3)(A) of the Act

allows the Department to extend the time limit for the preliminary determination to a maximum of 365 days after the last day of the anniversary month.

Extension of Time Limit for Preliminary Results of Review

We determine that it is not practicable to complete the preliminary results of this administrative review within the original time limit because the Department requires additional time to analyze questionnaire responses, issue supplemental questionnaires, conduct verification, and to evaluate surrogate value submissions.

Therefore, the Department is extending the time limit for completion of the preliminary results of the administrative review by 120 days. The preliminary results will now be due no later than February 28, 2011, the first business day following 120 days from the current deadline. The final results continue to be due 120 days after the publication of the preliminary results.

We are issuing and publishing this notice in accordance with sections 751(a)(3)(A) and 777(i) of the Act.

Dated: September 8, 2010.

Susan H. Kuhbach,

Acting Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.

Honey From Argentina: Notice of Extension of Time Limit for Preliminary Results and Partial Rescission of Antidumping Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

SUMMARY: The U.S. Department of Commerce (the Department) is rescinding in part the administrative review of the antidumping duty order on honey from Argentina for the period December 1, 2008, to November 30, 2009 with respect to fifteen companies. This rescission, in part, is based on the timely withdrawal of the request for review by the interested parties that requested the review. A complete list of the companies for which the administrative review is being rescinded is provided in the background section below. Additionally, the Department is

extending the preliminary results of this administrative review to no later than January 7, 2011.

DATES: *Effective Date:* September 14, 2010.

FOR FURTHER INFORMATION CONTACT: David Cordell or Ericka Ukrow, AD/CVD Operations, Office 7, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230; *telephone:* (202) 482-0408 and (202) 482-0405, respectively.

SUPPLEMENTARY INFORMATION:

Background

On December 1, 2009, the Department published in the **Federal Register** a notice of opportunity to request an administrative review of the antidumping duty order on, *inter alia*, honey from Argentina. *See Antidumping or Countervailing Duty Order, Finding, or Suspended Investigation; Opportunity to Request Administrative Review*, 74 FR 62743 (December 1, 2009). In response and pursuant to 19 CFR 351.213(b)(2), on December 31, 2009, the Asociacion de Cooperativas Argentinas S.A. (ACA), Nexco S.A. (Nexco), and Compania Inversora Platense S.A. (CIPSA) requested an administrative review of the antidumping duty order on honey from Argentina for the period December 1, 2008, through November 30, 2009. Pursuant to 19 CFR 351.213(b)(1), the American Honey Producers Association and the Sioux Honey Association (collectively, petitioners), also on December 31, 2009, requested that the Department conduct an administrative review of the antidumping duty order on honey from Argentina for the December 1, 2008, through November 30, 2009 period of review (POR) of entries of subject merchandise made by eighteen Argentine producers/exporters.

On January 29, 2010, the Department initiated a review on seventeen companies¹ for which an administrative review was requested. *See Initiation of Antidumping and Countervailing Duty Administrative Reviews, Request for Revocation in Part, and Deferral of*

¹ The **Federal Register** notice lists eighteen companies; however, the Department received a timely request by ACA to defer for one year the initiation of the December 1, 2008, through November 30, 2009 administrative review of its sales and entries of honey subject to the antidumping duty order on honey from Argentina in accordance with 19 CFR 351.213(c). The Department received no objections to this request from any party cited in 19 CFR 351.213(c)(1)(ii), and therefore deferred for one year the initiation of the review for such exporter in accordance with 19 CFR 351.213(c). *See Initiation Notice*, 75 FR at 4772-73.

Initiation of Administrative Review, 75 FR 4770 (January 29, 2010) (*Initiation Notice*). On February 17, 2010, the Department informed interested parties to this administrative review of its intent to limit the number of companies to be examined. The Department encouraged all interested parties to submit comments regarding the use of U.S. Customs and Border Protection entry data for respondent selection purposes. *See* the Memorandum to the File, "United States Customs and Border Protection Entry Data for Selection of Respondents for Individual Review," dated February 17, 2010. On March 5, 2010, the Department selected the four producers/exporters with the largest export volume during the POR as mandatory respondents: HoneyMax S.A. (HoneyMax), Nexco S.A. (Nexco), Patagonik S.A. (Patagonik), and TransHoney S.A. (TransHoney). *See* the Memorandum to Richard Weible, "Administrative Review of the Antidumping Duty Order on Honey from Argentina: Respondent Selection Memorandum," dated March 5, 2010. On March 9, 2010, the Department issued its antidumping duty questionnaire to all four mandatory respondents. On March 31, 2010 and pursuant to 19 CFR 351.213(d)(1), petitioners timely withdrew their request for review of Honey Max. On April 7, 2010, petitioners and Nexco timely withdrew their requests for review for Nexco. On April 16, 2010, petitioners timely withdrew their request for review with respect to all companies except TransHoney, Patagonik, CIPSA, and ACA. Accordingly, the Department informed interested parties of its intent to rescind the review for all companies except TransHoney, Patagonik, and CIPSA, to continue with its deferral of the review with respect to ACA, and to select CIPSA as a mandatory respondent. *See* the Memorandum to the File, "2008/2009 Administrative Review of the Antidumping Duty Order on Honey from Argentina: Selection of New Mandatory Respondent," dated April 19, 2010.

On April 29, 2010, ACA timely withdrew its request for review submitted on December 31, 2009.²

² The withdrawal of the request for review was submitted by ACA based on the Department's notification in the **Federal Register** revoking the antidumping duty order with respect to honey exported by ACA effective December 1, 2008. Because the order covering honey from Argentina is revoked with respect to ACA, all entries of subject merchandise exported by ACA will be liquidated without antidumping duties. Accordingly, there will be no relevant entries that might be subject to an antidumping review. *See*
