Application Information For FY 2011 GRANTS:

General information about the FMCSA grant programs is available in the Catalog of Federal Domestic Assistance (CFDA) which can be found on the internet at <http://www.cfda.gov>. To apply for funding, applicants must register with grants.gov at <http://www.grants.gov/applicants/get-registered.jsp> and submit an application in accordance with instructions provided.

Evaluation Factors: The following evaluation factors will be used in reviewing the applications for all FMCSA discretionary grants:

Where appropriate, costs per unit will be calculated and compared with national averages to determine effectiveness. In other areas, proposed costs will be compared with historical information to confirm reasonableness.

(4) Applicability to announced priorities—If national priorities are included in the grants.gov notice, those grants that specifically address these

issues will be given priority consideration.

(5) Ability of the applicant to support the strategies and activities in the proposal for the entire project period of performance.

(6) Use of innovative approaches in executing a project plan to address identified safety issues.
