

miles. These activities add protection against pipeline failures from corrosion, manufacturing and construction defects, and outside third-party damage along this full 273 mile length. Compliance with 49 CFR 192.611 would require replacement of pipe or requalification tests within the waiver segments only (less than 1 mile of pipe), with no added protection for the additional segments. The ETS/TW Activities provide added protection by including the additional segments.

4. ETS/TW was selected as a candidate for the Risk Management Demonstration Program and has participated in a consultation process with OPS, which included an enhanced sharing with OPS of information related to the integrity of ETS/TW's pipeline.

How Will OPS Oversee the Activities?

OPS retains its authority to enforce ETS/TW's compliance with the pipeline safety regulations. OPS is only considering whether to grant a waiver from compliance with 49 CFR 192.611 at those three segments where ETS/TW has demonstrated that its proposed Activities achieve a comparable margin of safety and environmental protection. Should any information subsequently indicate that the terms of the waiver are no longer appropriate or that the overall effect of the waiver is inconsistent with pipeline safety, then OPS retains its authority to revoke the waiver and require ETS/TW to again comply with 49 CFR 192.611.

This Notice is OPS's final request for public comment before OPS makes a final decision on whether to grant the waiver to ETS/TW.

Issued in Washington, DC, on June 20, 2001.

Associate Administrator for Pipeline Safety.

Surface Transportation Board

[STB Docket No. AB-32 (Sub-No. 90)]

Boston and Maine Corporation— Abandonment—in Essex County, MA, and Rockingham County, NH

On June 15, 2001, the Boston and Maine Corporation (B&M) filed with the Surface Transportation Board (Board) an application for permission to abandon and discontinue service on a line of railroad known as the Manchester and Lawrence Branch extending from milepost 1.4 in Lawrence, MA, to milepost 4.4 in Salem, NH, a distance of

3 miles, in Essex County, MA, and Rockingham County, NH. The line traverses U.S. Postal Service ZIP Codes 01840, 01841, 01843, 01844 and 03079. Applicant has indicated that there are no agency stations located on the line.

The line does not contain federally granted rights-of-way. Any documentation in B&M's possession will be made available promptly to those requesting it. The applicant's entire case for abandonment (case-in-chief) was filed with the application.

The line of railroad has appeared on B&M's system diagram map or has been included in its narrative in category 1 since December 27, 2000.

The interest of railroad employees will be protected by the conditions set forth in *Oregon Short Line R. Co.—Abandonment—Goshen*, 360 I.C.C. 91 (1979).

Any interested person may file with the Board written comments concerning the proposed abandonment or protests (including the protestant's entire opposition case), by July 30, 2001. All interested persons should be aware that, following any abandonment of rail service and salvage of the line, the line may be suitable for other public use, including interim trail use.¹ Any request for a public use condition under 49 U.S.C. 10905 (49 CFR 1152.28) or for a trail use condition under 16 U.S.C. 1247(d) (49 CFR 1152.29) must be filed by July 30, 2001. Each trail use request must be accompanied by a \$150 filing fee. *See* 49 CFR 1002.2(f)(27). Applicant's reply to any opposition statements and its response to trail use requests must be filed by August 14, 2001. *See* 49 CFR 1152.26(a).

Persons opposing the abandonment who wish to participate actively and fully in the process should file a protest. Persons who may oppose the abandonment but who do not wish to participate fully in the process by submitting verified statements of witnesses containing detailed evidence should file comments. Persons seeking information concerning the filing of protests should refer to 49 CFR 1152.25. Persons interested only in seeking public use or trail use conditions should also file comments.

In addition, a commenting party or protestant may provide:

(i) An offer of financial assistance (OFA) for continued rail service under 49 U.S.C. 10904 (due 120 days after the

application is filed or 10 days after the application is granted by the Board, whichever occurs sooner);

(ii) Recommended provisions for protection of the interests of employees;

(iii) A request for a public use condition under 49 U.S.C. 10905; and

(iv) A statement pertaining to prospective use of the right-of-way for interim trail use and rail banking under 16 U.S.C. 1247(d) and 49 CFR 1152.29. All filings in response to this notice must refer to STB Docket No. AB-32 (Sub-No. 90) and must be sent to: (1) Surface Transportation Board, Office of the Secretary, Case Control Unit, 1925 K Street, N.W., Washington, DC 20423-0001; and (2) Robert B. Culliford, Iron Horse Park, North Billerica, MA 01862. The original and 10 copies of all comments or protests shall be filed with the Board with a certificate of service. Except as otherwise set forth in part 1152, every document filed with the Board must be served on all parties to the abandonment proceeding. 49 CFR 1104.12(a).

The line sought to be abandoned will be available for subsidy or sale for continued rail use, if the Board decides to permit the abandonment, in accordance with applicable laws and regulations (49 U.S.C. 10904 and 49 CFR 1152.27). Each OFA must be accompanied by a \$1,000 filing fee. *See* 49 CFR 1002.2(f)(25). No subsidy arrangement approved under 49 U.S.C. 10904 shall remain in effect for more than 1 year unless otherwise mutually agreed by the parties (49 U.S.C. 10904(f)(4)(B)). Applicant will promptly provide upon request to each interested party an estimate of the subsidy and minimum purchase price required to keep the line in operation. The carrier's representative to whom inquiries may be made concerning sale or subsidy terms is set forth above.

Persons seeking further information concerning abandonment procedures may contact the Board's Office of Public Services at (202) 565-1592 or refer to the full abandonment or discontinuance regulations at 49 CFR part 1152.
