### Background

Section 335 of the Tariff Act of 1930 (19 U.S.C. 1335) authorizes the Commission to adopt such reasonable procedures, rules, and regulations as it deems necessary to carry out its functions and duties. This rulemaking seeks to update certain outdated provisions and improve other provisions of the Commission's existing Rules of Practice and Procedure. The Commission proposes amendments to its rules covering investigations under section 337 of the Tariff Act of 1930 (19 U.S.C. 1337) in order to increase the efficiency of its section 337 investigations. This rulemaking effort began in 2003 when the ITCTLA submitted a report to the Commission which suggested several rule changes that it believed would make the Commission rules more effective. In the course of considering the ITCTLA

proposals, the Office of the General Counsel and the Office of Unfair Import Investigations also suggested various rule changes. The Commission invites the public to comment on all of these proposed rules amendments. In any comments, please consider addressing whether the proposed amendments are in language that is clear and easy to understand. In addition, in any comments, please consider addressing how the proposed rules amendments could be improved, and/or offering specific constructive alternatives where appropriate.

Consistent with its ordinary practice, the Commission issued these proposed amendments in accordance with the rulemaking procedure in section 553 of the APA. This procedure entails the following steps: (1) Publication of a notice of proposed rulemaking; (2) solicitation of public comments on the proposed amendments; (3) Commission review of public comments on the proposed amendments; and (4) publication of final amendments at least thirty days prior to their effective date.

By order of the Commission.

Issued: February 12, 2008.

**Marilyn R. Abbott,**

*Secretary to the Commission.*
