Final Results of Changed Circumstances Reviews

Because the record contains no information or evidence that calls into question the *Preliminary Results*, for the reasons stated in the *Preliminary Results*, Commerce continues to find that Wor-Biz Industrial is the successor-in-interest to Wor-Biz Trading, and thus is entitled to Wor-Biz Trading's AD and CVD cash deposit rates with respect to entries of subject merchandise.³

Instructions to U.S. Customs and Border Protection

Based on these final results, we will instruct U.S. Customs and Border Protection to collect estimated AD and CVD duties for all shipments of subject merchandise exported by Wor-Biz Industrial and entered, or withdrawn from warehouse, for consumption on or after the publication date of this notice in the **Federal Register**, at the current AD and CVD cash deposit rates for Wor-Biz Trading (*i.e.*, 33.44%⁴ and 7.37%, respectively). These cash deposit requirements shall remain in effect until further notice.

Notification to Interested Parties

This notice serves as a final reminder to parties subject to administrative protective order ("APO") of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3). Timely written notification of the return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a sanctionable violation.
