

A significant number of workers at the firm are age 50 or over and possess skills that are not easily transferable. Competitive conditions within the industry are adverse.

Conclusion

After careful review of the facts developed in the remand investigation, I determine that there was a separation or threat of separation of a significant number or proportion of workers at Plant 6/11, Lenoir, North Carolina, and Plant 9, Shelby, North Carolina, that there were sales and production declines of upholstered furniture at Plant 6/11, Lenoir, North Carolina, and Plant 9, Shelby, North Carolina, and that increased imports of articles like or directly competitive with upholstered furniture produced by the subject worker groups contributed importantly to the decline in sales and production of upholstered furniture and worker separations at Plant 6/11, Lenoir, North Carolina, and Plant 9, Shelby, North Carolina.

In accordance with the provisions of the Act, I make the following certification:

"All workers of Bernhardt Furniture Company, Plant 6/11, Lenoir, North Carolina, including on-site leased workers of the Mulberry Group and Accuforce Staffing Services, (TA-W-63, 420B), and Plant 9, Shelby, North Carolina (TA-W-63, 420C), who became totally or partially separated from employment on or after May 20, 2007, through two years from the issuance of this revised determination, are eligible to apply for Trade Adjustment Assistance under Section 223 of the Trade Act of 1974, and are eligible to apply for alternative trade adjustment assistance under Section 246 of the Trade Act of 1974."

Signed at Washington, DC this 20th day of November 2008.

Elliott S. Kushner,

Certifying Officer, Division of Trade Adjustment Assistance.
