Proposal to approve under OMB delegated authority the extension for three years, without revision, of the following report:

Report title: The Recordkeeping and Disclosure Requirements Associated with the Guidance on Response Programs for Unauthorized Access to Customer Information.

Agency form number: FR 4100.

OMB control number: 7100-0309.

Frequency: Develop customer notice, one-time; Incident notification, event-generated.

Reporters: Financial institutions.

Estimated annual reporting hours: Develop response program, 2,544 hours; Incident notification, 2,952 hours.

Estimated average hours per response: Develop response program, 24 hours; Incident notification, 36 hours.

Number of respondents: Develop response program, 106; Incident notification, 82.

General description of report: This information collection is mandatory (15 U.S.C. 6801(b)). Since the Federal Reserve does not collect information associated with the FR 4100, confidentiality would not generally be an issue. However, confidentiality issues may arise if the Federal Reserve were to obtain a copy of a customer notice during the course of an examination or were to receive a copy of a Suspicious Activity Report (SAR; FR 2230; OMB No. 7100-0212). In such cases the information would be exempt from disclosure to the public under the Freedom of Information Act (5 U.S.C. 552(b)(3), (4), and (8)). Also, a federal employee is prohibited by law from disclosing an SAR or the existence of an SAR (31 U.S.C. 5318(g)).

Abstract: The FR 4100 is the information collection associated with the *Interagency Guidance on Response Programs for Unauthorized Access to Customer Information and Customer Notice* (security guidelines), which was published in the **Federal Register** in March 2005 (70 FR 15736). Trends in customer information theft and the accompanying misuse of that information led to the issuance of these security guidelines applicable to financial institutions. The security guidelines are designed to facilitate timely and relevant notification to affected customers and the appropriate regulatory authority of the financial institutions. The security guidelines provide specific direction regarding the
