This ANPRM is not expected to negatively impact any community, and therefore is not expected to cause any disproportionately high and adverse impacts to minority or low-income communities. This ANPRM will assist us in revising our permit processing procedures for the protection of historic properties, some of which are located in minority or low-income communities.

Environmental Documentation

We prepare appropriate environmental documentation, including Environmental Impact Statements when required, for all permit decisions. Therefore, environmental documentation under the National Environmental Policy Act is not required for this ANPRM. Appropriate environmental documentation has been, or will be, prepared for each action that is subjected to the permit application review process.

ENVIRONMENTAL PROTECTION AGENCY

40 CFR Part 300

[FRL-7818-2]

National Oil and Hazardous Substance Pollution Contingency Plan; National Priorities List

AGENCY: Environmental Protection Agency.

ACTION: Notice of intent for partial deletion of the Centre County Kepone Superfund Site from the National Priorities List.

SUMMARY: The Environmental Protection Agency (EPA), Region III, announces its intent to delete a portion of the Centre County Kepone Superfund Site (the Site), comprising approximately 8 acres to the north of Struble Road (referred to as the "Administration Parcel"), from the National Priorities List (NPL) and requests public comment on this action. The NPL, promulgated pursuant to section 105 of the Comprehensive Environmental Response, Compensation, and Liability Act (CERCLA) of 1980, as amended, is found in Appendix B of 40 CFR part 300, which is the National Oil and Hazardous Substances Pollution

Contingency Plan (NCP). The EPA and the Commonwealth of Pennsylvania, through the Pennsylvania Department of Environmental Protection (PADEP), have determined that because no manufacturing operations ever occurred on the Administration Parcel and it is located upgradient from the contaminated portions of the Site, that this portion of the Site may be deleted from the NPL. The partial deletion pertains only to the Administration Parcel of the Site. The other portions of the Site will remain on the NPL, and response actions will continue. This action does not preclude further actions under Superfund.

In the "Rules and Regulations" section of today's **Federal Register**, EPA is publishing a direct final notice of deletion of the Administration Parcel of the Centre County Kepone Superfund Site without prior notice of intent to delete because EPA views this as a non-controversial revision and anticipates no adverse comment. EPA has explained its reasons for this deletion in the preamble to the direct final deletion. If EPA receives no adverse comment(s) on the direct final notice of deletion, EPA will not take further action on this notice of intent to delete. If EPA receives adverse comment(s), EPA will withdraw the direct final notice of deletion and it will not take effect. EPA will, as appropriate, address all public comments in a subsequent final deletion notice based on this notice of intent to delete. EPA will not institute a second comment period on this notice based on this notice of intent to delete. Any parties interested in commenting must do so at this time. For additional information, see the direct final notice of deletion, which is located in the Rules section of this **Federal Register**.

DATES: EPA will accept comments until October 27, 2004.
