Reduction Act of 1995, effective October
1, 1995. This notice includes revisions
of OMB-approved information
collections.

SSA is soliciting comments on the
accuracy of the agency's burden
estimate; the need for the information;
its practical utility; ways to enhance its
quality, utility, and clarity; and ways to
minimize burden on respondents,
including the use of automated
collection techniques or other forms of
information technology. Mail, email, or

recommendations on the information
collection(s) to the OMB Desk Officer
and SSA Reports Clearance Officer at

1. Agreement to Sell Property—20
CFR 416.1240—1245—0960—0127.
Individuals or couples who are
otherwise eligible for Supplemental
Security Income (SSI) payments, but
whose resources exceed the allowable
limit, may receive conditional payments
if they agree to dispose of the excess
non-liquid resources and make
repayments. SSA uses Form SSA-8060-
U3 to document this agreement, and to
ensure the individuals understand their
obligations. Respondents are applicants
for and recipients of SSI payments who
will be disposing of excess non-liquid
resources.

Type of Request: Revision of an OMB-
approved information collection.

Modality of completion	Number of respondents	Frequency of response	Average burden per response (minutes)	Estimated total annual burden (hours)	Average theoretical hourly cost amount (dollars) *	Total annual opportunity cost (dollars) **
SSA-8060-U3	20,000	1	20	6,667	* \$29.76	** \$198,410

* We based this figures on average U.S. citizen's hourly salary, as reported by Bureau of Labor Statistics data (https://www.bls.gov/oes/current/oes_nat.htm).
** This figure does not represent actual costs that SSA is imposing on recipients of Social Security payments to complete this application; rather, these are theoretical opportunity costs for the additional time respondents will spend to complete the application. There is no actual charge to respondents to complete the application.

2. Work Activity Report (Self-
Employment)—20 CFR 404.1520(b),
404.1571—404.1576, 404.1584—
404.1593, and 416.971—416.976—
0960-0598. SSA uses Form SSA-820-
BK to determine initial or continuing
eligibility for: (1) Title II Social Security
disability benefits (SSDI); or (2) Title
XVI SSI payments. Under Titles II and
XVI of the Social Security Act,
recipients receive disability benefits and
SSI payments based on their inability to
engage in substantial gainful activity

(SGA) due to a physical or mental
condition. Therefore, when the
recipients resume work, they must
report their work so SSA can evaluate
and determine by law whether they
continue to meet the disability
requirements. SSA uses Form SSA-820-
BK to obtain information on self-
employment activities of Social Security
Title II and XVI disability applicants
and recipients. We use the data we
obtain to evaluate disability claims, and
to help us determine if the claimant

meets current disability provisions
under Titles II and XVI. Since
applicants for disability benefits or
payments must prove an inability to
perform any kind of SGA generally
available in the national economy for
which we expect them to qualify based
on age, education, and work experience,
any work an applicant performed until,
or subsequent to, the date the disability
allegedly began, affects our disability
determination. The respondents are
