SUPPLEMENTARY INFORMATION:

Authority: 44 U.S.C. 3507(a)(1)(D). The Patient Protection and Affordable Care Act provides rules regarding rescissions of health coverage for group health plans and health insurance issuers offering group or individual health insurance coverage. Under the statute and interim final regulations issued by the EBSA, a group health plan or a health insurance issuer offering group or individual health insurance coverage generally must not rescind coverage except in the case of fraud or an intentional misrepresentation of a material fact. Furthermore, coverage may not be cancelled unless prior notice is provided. Specifically, interim final regulations that the EBSA has promulgated provide that a group health plan or a health insurance issuer offering group health insurance coverage must provide at least 30 days advance notice to an individual before coverage may be rescinded. The notice must be provided regardless of whether the rescission is of group or individual coverage; or whether, in the case of group coverage, the coverage is insured or self-insured, or the rescission applies to an entire group or only to an individual within the group.

SUPPLEMENTARY INFORMATION: This ICR seeks to extend PRA authorization for the information collection requirements needed for the OLMS to administer Federal Transit Act section 5333(b) Urban Program worker protections. *See* 49 U.S.C. 5333(b). Section 5333(b) provides that the DOL must ensure that a recipient of Federal funds used to acquire, improve, or operate a transit system establishes arrangements to protect the rights of affected transit employees. Federal law requires such an arrangement to be fair and equitable, and the DOL must certify the arrangement before the U.S. Department of Transportation, Federal Transit Administration (FTA) can award certain funds to grantees. An employee protective arrangement must include provisions that may be necessary for the preservation of rights, privileges, and benefits under existing collective bargaining agreements or otherwise; the continuation of collective bargaining rights; the protection of individual employees against a worsening of their positions related to employment; assurances of employment to employees of acquired transportation systems; assurances of priority of reemployment of employees whose employment is ended or who are laid off; and paid training or retraining programs. *See* 49 U.S.C. 5333(b)(2).

Pursuant to regulations 29 CFR part 215, upon receipt of copies of applications for Federal assistance subject to 49 U.S.C. 5333(b) from the FTA, together with a request for DOL certification of employee protective arrangements, the DOL will process those applications, which must be in final form. The FTA will provide the DOL with information necessary to enable the DOL to process employee protections for certification of the project.
