SUMMARY: As required by the Computer Matching and Privacy Protection Act of 1988, the RRB is issuing a public notice of its use and intent to use, in ongoing computer matching programs, certain information obtained from state agencies with respect to individuals who received benefits under the Railroad Unemployment Insurance Act. The information may consist of either (1) report of unemployment or sickness payments made by the state for the same period that benefits were paid by the RRB or (2) wages and names and addresses of employers who reported wages to the state for the same period that benefits were paid by the RRB.

The purpose of this notice is to advise individuals applying for or receiving benefits under the Railroad Unemployment Insurance Act of the use made by the RRB of this information obtained from state agencies by means of a computer match.

DATES: Submit comments on or before June 22, 2007.

ADDRESSES: Address any comments concerning this notice to Beatrice Ezerski, Secretary to the Board, Railroad Retirement Board, 844 North Rush Street, Chicago, Illinois 60611–2092.

FOR FURTHER INFORMATION CONTACT: Ms. Mary Prosser, Railroad Retirement Board, 844 North Rush Street, Chicago, Illinois 60611–2092, telephone number (312) 751–4965.

SUPPLEMENTARY INFORMATION: Under certain circumstances, the Computer Matching and Privacy Protection Act of 1988, Pub. L. 100–503, requires a Federal agency participating in a computer matching program to publish a notice in the **Federal Register** regarding the establishment of that matching program. Such a notice must include information in the following first five categories:

Name of Participating Agencies: The Railroad Retirement Board and agencies of all 50 states.

Purpose of the Match: To identify individuals who have improperly collected benefits provided by the RRB

while earning remuneration in non-railroad employment or while collecting unemployment or sickness benefits paid by a state agency.

Authority for Conducting the Match: 45 U.S.C. Sections 231(b) and 362(f) and 42 U.S.C. Section 503(c)(1).

Categories of Records and Individuals Covered: All recipients of benefits under the Railroad Unemployment Insurance Act during a given period who reside in the states with which the RRB has negotiated a matching program agreement. Records furnished by the states are covered under Privacy Act system of records RRB–21, Railroad Unemployment and Sickness Insurance Benefit System.

Inclusive Dates of the Matching Program: Agreements with the individual states will run for either 12 or 18 months. The number of matches conducted with each state during the period of the match will vary from state to state, ranging from 2 to 4 depending on whether the agreement provides for matches to be conducted quarterly or every six months.

Procedure: The RRB will furnish the state agency a file of records. The data elements will consist of beneficiary identifying information, such as the name and Social Security Number (SSN), as well as the overall period during which the individual received benefits under the Railroad Unemployment Insurance. The state agency will match on the identifying information.

If the matching operation reveals that the individual who had received benefits under the Railroad Unemployment Insurance Act also received either unemployment or sickness insurance benefits from the state for any days in the period, the state agency will notify the RRB. Depending on arrangements made between the two jurisdictions, and, in the case of state sickness benefits on the applicable state law, either the RRB or the state agency will attempt to recover the amount of the duplicate payments.

If the matching operation reveals that wages had been reported for the individual during the requested period, the state will notify the RRB of this fact and furnish a breakdown of the wages and the name and address of each employer who reported earnings for the individual. The RRB will then write each employer who reported earnings for the individual for the given period. Only if the employment is verified will the RRB take action to recover the overpayment. If the RRB benefits had been paid under the Railroad Unemployment Insurance Act, recovery is limited to payments made for days on

which the individual was gainfully employed.

SECURITIES AND EXCHANGE COMMISSION

Submission for OMB Review; Comment Request

Upon Written Request, Copies Available
From: Securities and Exchange Commission, Office of Filings and Information Services, Washington, DC 20549.

Extension: Rule 10b-10, SEC File No. 270-389, OMB Control No. 3235-0444.

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*) the Securities and Exchange Commission ("Commission") has submitted to the Office of Management and Budget a request for extension of the previously approved collection[s] of information discussed below.

• Rule 10b-10, Confirmation of Transactions

Rule 10b-10 (17 CFR 240.10b-10) of the Securities Exchange Act of 1934 (17 U.S.C. 78a *et seq.*) requires broker-dealers to convey basic trade information to customers regarding their securities transactions. This information includes: the date and time of the transaction, the identity and number of shares bought or sold, and the trading capacity of the broker-dealer. Depending on the trading capacity of the broker-dealer, Rule 10b-10 requires the disclosure of commissions as well as mark-up and mark-down information. For transactions in debt securities, Rule 10b-10 requires the disclosure of redemption and yield information. Rule 10b-10 potentially applies to all of the approximately 6,014 firms registered with the Commission that effect transactions on behalf of customers.

The confirmations required by Rule 10b-10 are generally processed through automated systems. It takes approximately 1 minute to generate and send a confirmation. It is estimated that

broker-dealers spend 77.4 million hours per year complying with Rule 10b-10.

The Commission staff estimates the costs of producing and sending a paper confirmation, including postage to be approximately 91 cents. The Commission staff also estimates that the cost of producing a sending a wholly electronic confirmation is approximately 52 cents. The amount of confirmations sent and the cost of sending each confirmation varies from firm to firm. Smaller firms generally send fewer confirmations than larger firms because they effect fewer transactions.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid control number.

General comments regarding the estimated burden hours should be directed to the following persons: (i) Desk Officer for the Securities and Exchange Commission, Office of Information and Regulatory Affairs, Office of Management and Budget, Room 10102, New Executive Office Building, Washington, DC 20503 or send an e-mail to: David_Rostker@omb.eop.gov and (ii) R. Comments must be submitted to OMB within 30 days of this notice.

Dated: April 16, 2007.

Deputy Secretary.
