Background: The 2023 annual services trade report will provide aggregate data on cross-border trade in services for 2017–2021 and affiliate transactions in services for 2016–2020, and more specific data and information on trade in distribution services (including e-commerce, retail, logistics services, ports services, maritime transport services, and other transportation services). The Commission publishes two self-initiated annual reports, one on services trade (*Recent Trends in U.S. Services Trade*), and a second on merchandise trade (*Shifts in U.S. Merchandise Trade*). The Commission's 2022 *Recent Trends in U.S. Services Trade* report is now available online at https://www.usitc.gov/research_and_analysis/recent_trends.htm.

The initial notice of institution of this investigation was published in the **Federal Register** on September 8, 1993 (58 FR 47287) and provided for what is now the report on merchandise trade. The Commission expanded the scope of the investigation to cover services trade in a separate report, which it announced in a notice published in the **Federal Register** on December 28, 1994 (59 FR 66974). The separate report on services trade has been published annually since 1996, except in 2005. As in past years, the report will summarize U.S. trade in services in the aggregate and provide analyses of trends and developments in

selected services industries during the latest period for which data are published by the U.S. Department of Commerce, Bureau of Economic Analysis.

Written Submissions: Interested parties are invited to file written submissions and other information concerning the matters to be addressed by the Commission in its 2023 report. For the 2023 report, the Commission is particularly interested in receiving information relating to trade in distribution services (including e-commerce, retail, logistics services, ports services, maritime transport services, and other transportation services). Submissions should be addressed to the Secretary. To be assured of consideration by the Commission, written submissions related to the Commission's report should be submitted at the earliest practical date and should be received not later than 5:15 p.m., January 27, 2023. All written submissions must conform to the provisions of section 201.8 of the Commission's Rules of Practice and Procedure (19 CFR 201.8), as temporarily amended by 85 FR 15798 (March 19, 2020). Under that rule waiver, the Office of the Secretary will accept only electronic filings at this time. Filings must be made through the Commission's Electronic Document Information System (EDIS, <https://edis.usitc.gov>). No in-person paper-based filings or paper copies of any electronic filings will be accepted until further notice. Persons with questions regarding electronic filing should contact the Office of the Secretary, Docket Services Division (202–205–1802), or consult the Commission's *Handbook on Filing Procedures*.

Confidential business information: Any submissions that contain confidential business information (CBI) must also conform with the requirements in section 201.6 of the Commission's Rules of Practice and Procedure (19 CFR 201.6). Section 201.6 of the rules requires that the cover of the document and the individual pages be clearly marked as to whether they are confidential or non-confidential, and that the confidential business information be clearly identified by means of brackets. All written submissions, except for confidential business information, will be made available for inspection by interested parties.

The Commission intends to prepare only a public report in this investigation. The report that the Commission makes available to the public will not contain confidential business information. However, all

information, including confidential business information, submitted in this investigation may be disclosed to and used: (i) by the Commission, its employees and Offices, and contract personnel (a) for developing or maintaining the records of this or a related proceeding, or (b) in internal investigations, audits, reviews, and evaluations relating to the programs, personnel, and operations of the Commission including under 5 U.S.C. Appendix 3; or (ii) by U.S. government employees and contract personnel solely for cybersecurity purposes. The Commission will not otherwise disclose any confidential business information in a manner that would reveal the operations of the firm supplying the information.

Summaries of Written Submissions: Persons wishing to have a summary of their position included in the report should include a summary with their written submission on or before January 27, 2023, and should mark the summary as having been provided for that purpose. The summary should be clearly marked as "summary for inclusion in the report" at the top of the page. The summary may not exceed 500 words and should not include any confidential business information. The summary will be published as provided if it meets these requirements and is germane to the subject matter of the investigation. The Commission will list the name of the organization furnishing the summary and will include a link to the Commission's Electronic Document Information System (EDIS) where the written submission can be found.

Certain Digital Set-Top Boxes and Systems and Services Including the Same; Notice of Commission Determination Not To Review an Initial Determination Terminating the Investigation Based on a Settlement Agreement; Termination of Investigation

AGENCY: U.S. International Trade Commission.

ACTION: Notice.

SUMMARY: Notice is hereby given that the U.S. International Trade Commission has determined not to review an initial determination (“ID”) (Order No. 26) of the presiding administrative law judge (“ALJ”) granting a joint motion to terminate the investigation as to the remaining respondents Altice USA, Inc. and CSC Holdings, LLC, both of Long Island City, New York, and Cablevision Systems Corp. of Bethpage, New York (collectively, “Altice”) based on a settlement agreement. The investigation is terminated.

FOR FURTHER INFORMATION CONTACT: Lynde Herzbach, Office of the General Counsel, U.S. International Trade Commission, 500 E Street SW, Washington, DC 20436, telephone (202) 205–3228. Copies of non-confidential documents filed in connection with this investigation may be viewed on the Commission’s electronic docket (EDIS) at <https://edis.usitc.gov>. For help accessing EDIS, please email EDIS3Help@usitc.gov. General information concerning the Commission may also be obtained by accessing its internet server at <https://www.usitc.gov>. Hearing-impaired persons are advised that information on this matter can be obtained by contacting the Commission’s TDD terminal on (202) 205–1810.

SUPPLEMENTARY INFORMATION: On May 31, 2022, the Commission instituted this investigation under section 337 of the Tariff Act of 1930, as amended, 19 U.S.C. 1337 (“section 337”), based on a complaint filed by Broadband iTV, Inc., of Austin, Texas (“BBiTV”). See 87 FR 32459 (May 31, 2022). The complaint alleges a violation of section 337 based upon the importation into the United States, sale for importation, or sale after importation into the United States of certain set-top boxes and systems and services including the same by reason of infringement of certain claims of U.S. Patent Nos. 9,866,909; 9,936,240; 11,277,669; and 10,555,014 (“the ’014 patent”). *Id.* The complaint further alleges that a domestic industry exists. *Id.* The notice of investigation names 10 respondents, including: Comcast Corporation and Comcast Cable Communications, LLC, both of Philadelphia, Pennsylvania, as well as NBCUniversal Media, LLC of Universal City, California (collectively, “the Comcast Respondents”); Charter Communications, Inc. of Stamford, Connecticut and Charter Communications Operating, LLC, Charter Communications Holding, Company, LLC, and Spectrum Management Holding, Company, LLC,

all of St. Louis, Missouri (collectively “the Charter Respondents”); and Altice. *Id.* The Office of Unfair Import Investigations is not named as a party. *Id.*

The Commission previously terminated the investigation as to all asserted patent claims of the ’014 patent based on BBiTV’s partial withdrawal of the complaint. Order No. 18 (Sept. 9, 2022), *unreviewed by* Comm’n Notice (Oct. 3, 2022).

The Commission also previously terminated the Comcast Respondents and the Charter Respondents from the investigation based on partial withdrawal of the complaint. Order No. 23 (Oct. 18, 2022), *unreviewed by* Comm’n Notice (Nov. 14, 2022); Order No. 24 (Oct. 20, 2022), *unreviewed by* Comm’n Notice (Nov. 14, 2022).

On November 1, 2022, BBiTV and Altice filed a joint motion to terminate the investigation based on settlement. No response to the unopposed motion was filed.

On November 15, 2022, the presiding ALJ issued the subject ID (Order No. 26) granting the joint motion to terminate the investigation. The subject ID finds that the joint motion complies with Commission Rule 210.21(b)(1) (19 CFR 210.21(b)) and that no extraordinary circumstances prevent denying the motion. The ID also finds that termination of the investigation based on settlement would not be contrary to the public interest. No party petitioned for review of the subject ID.

The Commission has determined not to review the subject ID (Order No. 26). The investigation is terminated.

The Commission vote for this determination took place on December 14, 2022.

The authority for the Commission’s determination is contained in section 337 of the Tariff Act of 1930, as amended (19 U.S.C. 1337), and in Part 210 of the Commission’s Rules of Practice and Procedure (19 CFR Part 210).

By order of the Commission.
