

## TCC WADGE SEAM—Continued

Sulfur Content .....	0.49%
Ash Content .....	9.94%

The tract will be leased to the qualified bidder of the highest cash amount, provided that the high bid meets the FMV for the tract. The minimum bid for the tract is \$100 per acre or fraction thereof. No bid that is less than \$100 per acre, or fraction thereof, will be considered. The minimum bid is not intended to represent FMV. The FMV of the tract will be determined by the Authorized Officer after the sale. In the event identical high sealed bids are received, the tying high bidders will be requested to submit follow-up bids until a high bid is received. All tie-breaking sealed bids must be submitted within 15 minutes following the Sale Official's announcement at the sale that identical high bids have been received. The lease issued as a result of this offering will provide for payment of an annual rental of \$3.00 per acre, or fraction thereof, and of a royalty payment to the United States of 12.5 percent of the value of coal produced by strip or auger mining methods and 8 percent of the value of the coal produced by underground mining methods. The value of the coal will be determined in accordance with 30 CFR 206.250.

The required Detailed Statement for the offered tract, including bidding instructions and sales procedures under 43 CFR 3422.3–2, and the terms and conditions of the proposed coal lease, is available from BLM Colorado State Office at the addresses above. Case file documents and written comments for COC–72980 submitted by the public on FMV or royalty rates, except those portions identified as proprietary by the commentator and meeting exemptions stated in the Freedom of Information Act, are available for public inspection during normal business hours in the BLM Public Room.

Before including your address, phone number, e-mail address, or other personal identifying information in your comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we

cannot guarantee that we will be able to do so.

## Eastern States: Filing of Plat of Survey

**AGENCY:** Bureau of Land Management,  
Interior.

**ACTION:** Notice of Filing of Plat Of  
Survey; Minnesota.

**SUMMARY:** The Bureau of Land Management (BLM) will file the plat of survey of the lands described below in the BLM—Eastern States, Springfield, Virginia, 30 calendar days from the date of publication in the **Federal Register**.

**FOR FURTHER INFORMATION CONTACT:**

Bureau of Land Management, 7450  
Boston Boulevard, Springfield, Virginia  
22153. Attn: Cadastral Survey.

**SUPPLEMENTARY INFORMATION:** This  
survey was requested by the Bureau of  
Indian Affairs.

The lands we surveyed are:

**Fourth Principal Meridian, Minnesota**

T. 42 N., R. 27 W.

The plat of survey represents the dependent resurvey of a portion of the north boundary and a portion of the subdivisional lines, the subdivision of section 5 and the re-establishment of the record meander line on the west side of Ogechie Lake in section 5, Township 42 North, Range 27 West of the Fourth Principal Meridian, Minnesota, and was accepted October 15, 2008. We will place a copy of the plat we described in the open files. It will be available to the public as a matter of information.

If BLM receives a protest against this survey, as shown on the plat, prior to the date of the official filing, we will stay the filing pending our consideration of the protest.

We will not officially file the plat until the day after we have accepted or dismissed all protests and they have become final, including decisions on appeals.

Dated: October 21, 2008.

**Ronald J. Eberle,**

*Acting Chief Cadastral Surveyor.*

## DEPARTMENT OF THE INTERIOR

## Bureau of Land Management

[CO200–2920–EQ]

**Notice of Realty Action; Land Use  
Authorization for Public Lands in  
Fremont and Chaffee Counties, CO**

**AGENCY:** Bureau of Land Management,  
Interior.

**ACTION:** Notice of realty action.

**SUMMARY:** Christo and Jeanne Claude Over the River Corporation (OTR Corp.) has submitted a written proposal for a land use authorization to construct and display a temporary work of art titled *Over the River™*, pursuant to Section 302 of the Federal Land Policy and Management Act of 1976 (43 U.S.C. 1732), using noncompetitive permit procedures as provided in regulations at 43 CFR 2920. Interested parties may submit comments to the BLM at the address stated below with respect to:

(1) The decision of the BLM regarding the potential availability of the lands described herein, and

(2) The decision of the BLM to entertain an application from OTR Corp. for a non-competitive land use permit.

**DATES:** Interested parties may submit comments in writing to the BLM at the address given below on or before December 15, 2008.

**ADDRESSES:** Field Manager, Royal Gorge Field Office, Bureau of Land Management, 3028 East Main Street, Cañon City, Colorado 81212.

**FOR FURTHER INFORMATION CONTACT:** Joe Vieira, at the address given above, by e-mail at [rgfo\\_comments@blm.gov](mailto:rgfo_comments@blm.gov), or by phone at (719) 269–8708.

**SUPPLEMENTARY INFORMATION:** The *Over the River™* proposal submitted by OTR Corp. includes exhibit installation, a large-scale art exhibition and visitor event, and exhibit removal actions, including site restoration. The *Over the River™* proposal would involve 911 porous fabric panels, weighing an average 140 lbs/panel, suspended 8 to 25 feet above the water for a total of 5.9 miles over a 40 mile stretch of the Arkansas River, between Cañon City and Salida. The public art project would be constructed utilizing an estimated 8,992 steel anchors drilled along and into the banks of the Arkansas River to support 2,247 steel anchor transition frames for an estimated 1,264 steel cables that would support the fabric panels. OTR Corp also proposes a 4,000 square foot temporary building and a temporary gravel access road on the public land to stage art installation and removal as well as manage the large-
