

SUPPLEMENTARY INFORMATION: The NSSI STAP provides advice and recommendations to the NSSI Oversight Group regarding priority needs for management decisions across the North Slope of Alaska. These priority needs may include recommendations on inventory, monitoring, and research activities that lead to informed land management decisions. The topics to be discussed at the meeting include:

- Emerging issues summary from the STAP;
- Update on the project tracking system;
- Update on the project database;
- NSSI priority issues and projects;
- Other topics the Oversight Group or STAP may raise.

All meetings are open to the public. The public may present written comments to the Science Technical Advisory Panel through the Executive Director, North Slope Science Initiative. Each formal meeting will also have time allotted for hearing public comments. Depending on the number of persons wishing to comment and time available, the time for individual oral comments may be limited. Individuals who plan to attend and need special assistance, such as sign language interpretation, transportation, or other reasonable accommodations, should contact the Executive Director, North Slope Science Initiative.

Before including your address, phone number, e-mail address, or other personal identifying information in your comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.

Dated: June 15, 2009.

Thomas P. Lonnie,

Alaska State Director.
