BILLING CODE 4120-01-P

DEPARTMENT OF HEALTH AND HUMAN SERVICES**Administration for Children and Families****Notice of Meetings for Early Head Start-Child Care Partnerships****AGENCY:** Administration for Children and Families, HHS.**ACTION:** Notice of public meetings via webinar and telephone call-in.

SUMMARY: This public meeting is to obtain input on the creation of Early Head Start (EHS)-Child Care Partnerships that were authorized by the 2014 Omnibus Act, which was released on January 17, 2014. The purpose of this meeting is to provide an open door forum for public input in order to help the Department of Health and Human Services as we develop future planning activities.

To help us best develop Early Head Start with local child care centers and family child care providers serving low-income infants and toddlers, this notice invites the public to learn about partnerships and provide information that may assist the Agency at two public meetings held via webinar and telephone call-in.

DATES: Two public meetings will be held on February 6, 2014, and February 7, 2014. The dates and times for each meeting will be:

February 6, 2014: 4:00–5:00 p.m. EST

February 7, 2014: 4:00–5:00 p.m. EST

Registration and Additional Information: We request that interested persons register online with the Child Care Communications Management Center (CMC) to participate in one or more meetings via either webinar or by telephone. Interested persons may register for the February 6 meeting at: <https://www3.gotomeeting.com/register/905737662>, or the February 7 meeting at: <https://www3.gotomeeting.com/register/539737118>.

The contact at CMC is Karen Limsi, who can be reached by telephone at 240-399-8729 and by email at klimsi@blhtech.com. Interested persons should register at least the day before the meeting in which they wish to participate.

Each public meeting is scheduled for one hour, but will end sooner if participants have finished providing input before the time period expires.

The format for the meetings is intended to allow participants to

provide input and to respond to the input provided by others. We especially request input from entities interested in creating partnerships.

To help interested individuals prepare for the meetings, we invite review of the 2014 Omnibus Appropriations bill. The full text is set forth at: <http://www.gpo.gov/fdsys/pkg/BILLS-113hr3547enr/pdf/BILLS-113hr3547enr.pdf>

Written comments may be submitted at: EHS.CCPartnerships@acf.hhs.gov until Midnight February 7, 2014.

SUPPLEMENTARY INFORMATION: The expansion of EHS-Child Care Partnerships is a key component in President Obama's Early Learning Plan. These partnerships will extend the provision of high-quality early learning opportunities to more children from birth to age 3. Bolstering EHS-Child Care Partnerships promises to build a more seamless system for providing high-quality, full-day, full-year services to support children's development and parents' workforce needs.

These public meetings will be primarily listening sessions for the Agency and potentially an opportunity for dialogue among participants. We believe that the input received at the public meetings will be most helpful in providing the Agency with background information and broadening awareness of relevant issues of potential partnerships between Early Head Start grantees to develop partnerships with local child care centers and family child care providers serving low-income infants and toddlers. We will not respond to presentations during the meetings and will not regard them as formal comments that must be addressed by the Agency.

Dated: January 27, 2014.

Linda K. Smith,

Deputy Assistant Secretary for Early Childhood Development.

BILLING CODE 4184-40-P

DEPARTMENT OF HEALTH AND HUMAN SERVICES**Food and Drug Administration****[Docket No. FDA-2014-N-0001]****Vaccines and Related Biological Products Advisory Committee; Notice of Meeting****AGENCY:** Food and Drug Administration, HHS.**ACTION:** Notice.

This notice announces a forthcoming meeting of a public advisory committee

of the Food and Drug Administration (FDA). At least one portion of the meeting will be closed to the public.

Name of Committee: Vaccines and Related Biological Products Advisory Committee.

General Function of the Committee: To provide advice and recommendations to the Agency on FDA's regulatory issues.

Date and Time: The meeting will be held on February 28, 2014, from approximately 8 a.m. to 4:20 p.m.

Location: FDA White Oak Campus, 10903 New Hampshire Ave., Bldg. 31 Conference Center, the Great Room (rm. 1503 B and C), Silver Spring, MD 20993-0002. Information regarding special accommodations due to a disability, visitor parking, and transportation may be accessed at <http://www.fda.gov/AdvisoryCommittees/default.htm>; under the heading "Resources for You," click on "Public Meetings at the FDA White Oak Campus." Please note that visitors to the White Oak Campus must enter through Building 1.

For those unable to attend in person, the meeting will also be webcast. The link for the webcast is available at <https://collaboration.fda.gov/vrbpac/>

Contact Person: Prabhakara Atreya or Denise Royster, Center for Biologics Evaluation and Research (HF-71), Food and Drug Administration, 1401 Rockville Pike, Rockville, MD 20852, 301-827-0314, or FDA Advisory Committee Information Line, 1-800-741-8138 (301-443-0572 in the Washington, DC area). A notice in the **Federal Register** about last minute modifications that impact a previously announced advisory committee meeting cannot always be published quickly enough to provide timely notice. Therefore, you should always check the Agency's Web site at <http://www.fda.gov/AdvisoryCommittees/default.htm> and scroll down to the appropriate advisory committee meeting link, or call the advisory committee information line to learn about possible modifications before coming to the meeting.

Agenda: On February 28, 2014, the committee will meet in open session to hear an overview of the research program in the Laboratory of Respiratory Viral Diseases, Division of Viral Products, Office of Vaccines Research and Review, Center for Biologics Evaluation and Research, FDA. The committee will then discuss and make recommendations on the selection of strains to be included in the influenza virus vaccine for the 2014 to 2015 influenza season.
