

the Knoxville, Tennessee operations, revealed that the subject worker group was engaged in activities which supported domestic subject company production, including the San Antonio, Texas facility.

The Department also investigated whether Levi Strauss, San Antonio, Texas was TAA-certifiable during the relevant period. The investigation revealed that the San Antonio, Texas facility closed in January 2004 and that increased company imports during the relevant period contributed importantly to the plant's closure and the worker group's separations.

The Department has determined that all criteria regarding ATAA for the subject worker group have been met. A significant number or proportion of the worker group are age fifty years or over, the workers possess skills that are not easily transferable and competitive conditions within the garment industry are adverse.

Conclusion

After careful review of the facts generated during the remand investigation, I determine that increased imports of articles like or directly competitive with those produced at the subject firm contributed importantly to the total or partial separation of workers at the subject facility. In accordance with the provisions of the Act, I make the following certification:

All workers of Levi Strauss and Company, Knoxville, Tennessee, who became totally or partially separated from employment on or after April 15, 2003, through two years from the issuance of this revised determination, are eligible to apply for Trade Adjustment Assistance under section 223 of the Trade Act of 1974, and are also eligible to apply for Alternative Trade Adjustment Assistance under Section 246 of the Trade Act of 1974.

Signed at Washington, DC, this 21st day of March, 2005.

Certifying Officer, Division of Trade Adjustment Assistance.

Pfaltzgraff Company, Pfaltzgraff Distribution Center Including On-Site Leased Workers From Manpower, Inc. and Adecco York, PA; Amended Certification Regarding Eligibility To Apply for Worker Adjustment Assistance and Alternative Trade Adjustment Assistance

In accordance with section 223 of the Trade Act of 1974 (19 U.S.C. 2273) the Department of Labor issued a Certification of Eligibility to Apply for Worker Adjustment Assistance and Negative Determination Regarding Eligibility to Apply for Alternative Trade Adjustment Assistance on February 22, 2005, applicable to workers of Pfaltzgraff Company, Pfaltzgraff Distribution Center, including on-site leased workers from Manpower, Inc. and Adecco, York, Pennsylvania. The notice was published in the **Federal Register** on March 9, 2005 (70 FR 11704).

At the request of the State agency, the Department reviewed the certification for workers of the subject firm. The workers provide packing and shipping services in direct support of the production of ceramic dinnerware produced at the Thomasville, Pennsylvania (TA-W-56,418) location of the subject firm.

New findings show that there was a previous certification, TA-W-41,917, issued on September 30, 2002, for workers of Pfaltzgraff Company, York, Pennsylvania who were engaged in employment related to the production of ceramic dinnerware. That certification expired September 30, 2004. To avoid an overlap in worker group coverage, the certification is being amended to change the impact date from January 27, 2004 to October 1, 2004, for workers of the subject firm.

The amended notice applicable to TA-W-56,418 is hereby issued as follows:

"All workers of Pfaltzgraff Company, Pfaltzgraff Distribution Center, including on-site leased workers from Manpower, Inc., and Adecco, York Pennsylvania (TA-W-56,418A), who became totally or partially separated from employment on or after October 1, 2004, through February 22, 2007, are eligible to apply for adjustment assistance under Section 223 of the Trade Act of 1974, and are also eligible to apply for alternative trade adjustment assistance under Section 246 of the Trade Act of 1974."

Shane-Hunter, Inc., San Francisco, CA; Notice of Affirmative Determination Regarding Application for Reconsideration

By letter dated March 3, 2005, petitioners requested administrative reconsideration of the Department's Notice of Negative Determination Regarding Eligibility to Apply for Worker Adjustment Assistance, applicable to workers of the subject firm. The Department's determination was signed on February 2, 2005 and published in the **Federal Register** on March 9, 2005 (70 FR 11703).

The petitioner asserts that the subject firm shifted garment production abroad and is increasing reliance upon imports.

The Department has carefully reviewed the petitioner's request for reconsideration and has determined that the Department will conduct further investigation based on new information provided by the petitioner and the company official.

Conclusion

After careful review of the application, I conclude that the claim is of sufficient weight to justify reconsideration of the Department of Labor's prior decision. The application is, therefore, granted.
