

OMB, for emergency processing, a proposed information collection for the Homelessness Prevention Fund, which is authorized under the American Recovery and Reinvestment Act (Recovery Act) of 2009, and is hereafter called the Homelessness Prevention and Rapid Re-housing Program (HPRP). Title XII of Division A of the Recovery Act appropriated \$1.5 billion for this program. These funds will be distributed to 360 grantees that received Emergency Shelter Grants Program (ESG) funding in Fiscal Year (FY) 2009 as well as 180 metropolitan cities and urban counties that did not qualify for an ESG allocation in FY09. HUD will administer these funds as the Homelessness Prevention and Rapid Re-housing Program (HPRP) and will require a substantial amendment to the grantee's 2008 annual action plan as a condition of receiving funds. The formulas for the allocation of HPRP are the same as the formulas used for the annual allocation of ESG funds to the States, urban counties, metropolitan cities, and insular areas, except that the minimum allocation was reduced. On March 19, 2009, HUD published the HPRP Notice, including the list of HPRP allocations. This Notice may be found at <http://www.hud.gov/recovery/hrp-notice.pdf>.

In addition, section 1512 of the Recovery Act requires that not later than 10 days after the end of each calendar quarter, each recipient that received recovery funds from a Federal agency shall submit a report to that agency that contains: (1) The total amount of recovery funds received from that agency; (2) the amount of recovery funds received that were expended or obligated to projects or activities; and (3) a detailed list of all projects or activities for which recovery funds were expended or obligated, including the name of the project or activity; a description of the project or activity; an evaluation of the completion status of the project or activity; an estimate of the number of jobs created and the number of jobs retained by the project or activity; and for infrastructure investments made by State and local governments, the purpose, total cost, and rationale of the agency for funding the infrastructure investment with funds made available under the Recovery Act and name of the person to contact at the agency if there are concerns with the infrastructure investment. Not later than 30 calendar days after the end of each calendar quarter, each agency that made Recovery Act funds available to any recipient shall make the information in

reports submitted publicly available by posting the information on a Web site.

BILLING CODE 4210-67-P

DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT

[Docket No. FR-5280-N-17]

Federal Property Suitable as Facilities To Assist the Homeless

AGENCY: Office of the Assistant Secretary for Community Planning and Development, HUD.

ACTION: Notice.

SUMMARY: This Notice identifies unutilized, underutilized, excess, and surplus Federal property reviewed by HUD for suitability for possible use to assist the homeless.

FOR FURTHER INFORMATION CONTACT: Kathy Ezzell, Department of Housing and Urban Development, 451 Seventh Street, SW., Room 7266, Washington, DC 20410; telephone (202) 708-1234; TTY number for the hearing- and speech-impaired (202) 708-2565 (these telephone numbers are not toll-free), or call the toll-free Title V information line at 800-927-7588.

SUPPLEMENTARY INFORMATION: In accordance with 24 CFR part 581 and section 501 of the Stewart B. McKinney Homeless Assistance Act (42 U.S.C. 11411), as amended, HUD is publishing this Notice to identify Federal buildings and other real property that HUD has reviewed for suitability for use to assist the homeless. The properties were reviewed using information provided to HUD by Federal landholding agencies regarding unutilized and underutilized buildings and real property controlled by such agencies or by GSA regarding its inventory of excess or surplus Federal property. This Notice is also published in order to comply with the December 12, 1988 Court Order in *National Coalition for the Homeless v. Veterans Administration*, No. 88-2503-OG (D.D.C.).

Properties reviewed are listed in this Notice according to the following categories: Suitable/available, suitable/unavailable, suitable/to be excess, and unsuitable. The properties listed in the three suitable categories have been reviewed by the landholding agencies, and each agency has transmitted to HUD: (1) Its intention to make the property available for use to assist the homeless, (2) its intention to declare the property excess to the agency's needs, or (3) a statement of the reasons that the property cannot be declared excess or made available for use as facilities to assist the homeless.

Properties listed as suitable/available will be available exclusively for homeless use for a period of 60 days from the date of this Notice. Where property is described as for "off-site use only" recipients of the property will be required to relocate the building to their own site at their own expense. Homeless assistance providers interested in any such property should send a written expression of interest to HHS, addressed to Theresa Rita, Division of Property Management, Program Support Center, HHS, room 5B-17, 5600 Fishers Lane, Rockville, MD 20857; (301) 443-2265. (This is not a toll-free number.) HHS will mail to the interested provider an application packet, which will include instructions for completing the application. In order to maximize the opportunity to utilize a suitable property, providers should submit their written expressions of interest as soon as possible. For complete details concerning the processing of applications, the reader is encouraged to refer to the interim rule governing this program, 24 CFR part 581.

For properties listed as suitable/to be excess, that property may, if subsequently accepted as excess by

GSA, be made available for use by the homeless in accordance with applicable law, subject to screening for other Federal use. At the appropriate time, HUD will publish the property in a Notice showing it as either suitable/available or suitable/unavailable.

For properties listed as suitable/unavailable, the landholding agency has decided that the property cannot be declared excess or made available for use to assist the homeless, and the property will not be available.

Properties listed as unsuitable will not be made available for any other purpose for 20 days from the date of this Notice. Homeless assistance providers interested in a review by HUD of the determination of unsuitability should call the toll free information line at 1-800-927-7588 for detailed instructions or write a letter to Mark Johnston at the address listed at the beginning of this Notice. Included in the request for review should be the property address (including zip code), the date of publication in the **Federal Register**, the landholding agency, and the property number.

SUPPLEMENTARY INFORMATION:**I. Abstract**

The U.S. Geological Survey (USGS) is responsible for maintaining the national archive of Landsat data and distributing data to users. The Landsat Program benefits a wide community of users, including federal, state, and local governments, the global change research community, national security agencies, academia, and private sector users. The USGS Land Remote Sensing Program (LRS) initiated this information collection as part of a regulation mandate to lead efforts to develop a long-term plan to achieve technical, financial, and managerial stability for operational land imaging. To address this data need this information collection is designed to: (1) Better understand the uses and applications of moderate-resolution satellite imagery, (2) identify and classify the breadth and depth of the users of these imagery, and (3) determine the societal benefits of Landsat. This information collection will be conducted by scientists and staff in the Policy Analysis and Science Assistance Branch (PASA) of the USGS. The information collection will be conducted online and utilizes five forms.
