1. Purpose

Executive Summary

The R&W Plan was adopted in August 2018⁷ and is maintained by FICC for compliance with Rule 17ad–22(e)(3)(ii) under the Act.⁸ This section of the Act requires registered clearing agencies to, in short, establish, implement and maintain plans for the recovery and orderly wind-down of the covered clearing agency necessitated by credit losses, liquidity shortfalls, losses from general business risk, or any other losses. The Plan is intended to be used by the Board and FICC management in the event FICC encounters scenarios that could potentially prevent it from being able to provide its critical services to the marketplace as a going concern.

The R&W Plan is comprised of two primary sections: (i) the “Recovery Plan,” that sets out the tools and strategies to enable FICC to recover, in the event it experiences losses that exceed its prefunded resources, and (ii) the “Wind-down Plan,” that describes the tools and strategies to be used to conduct an orderly wind-down of FICC’s business in a manner designed to permit the continuation of FICC’s critical services in the event that its recovery efforts are not successful.

FICC believes that by helping to ensure that the R&W Plan reflects current business and product developments, providing additional clarity, and making necessary grammatical corrections, that the proposed rule change would help it continue to maintain the Plan in a manner that supports the continuity of

⁸ 17 CFR 240.17ad–22(e)(3)(ii). FICC is a “covered clearing agency” as defined in Rule 17ad–22(a)(5) under the Act and must comply with paragraph (e) of Rule 17ad–22.
