

submitted to OMB a request for approval of the information collection described in Section A.

The **Federal Register** notice that solicited public comment on the information collection for a period of 60 days was published on May 31, 2012.

A. Overview of Information Collection

Title of Information Collection: Multifamily Contractor's/Mortgagor's Cost Breakdowns and Certifications.

OMB Approval Number: 2502-0044.

Type of Request: Extension of a currently approved collection.

Form Number: HUD-92330-A, HUD-92328, HUD-92205-A.

Description of the need for the information and proposed use: Contractors use the form HUD-2328 to establish a schedule of values of construction items on which the monthly advances or mortgage proceeds are based. Contractors use the form HUD-92330-A to convey actual construction costs in a standardized format of cost certification. In addition to assuring that the mortgage proceeds have not been used for purposes other than construction costs, HUD-92330-A further protects the interest of the Department by directly monitoring the accuracy of the itemized trades on form HUD-2328. This form also serves as project data to keep Field Office cost data banks and cost estimates current and accurate. HUD-92205A is used to certify the actual costs of acquisition or refinancing of projects insured under Section 223(f) program.

Estimated Number of Respondents: 2,272.

Estimated Number of Responses: 4,761.
