

bridge, located on the Franklin Canal at mile 4.8 in Franklin, St. Mary Parish, Louisiana, be changed in order for the bridge not to have to be continuously manned by a draw tender. Currently, the bridge opens on signal from 5 a.m. to 9 p.m. Because of the relocation of a public boat landing downstream of the bridge, vessel traffic has become infrequent, and it is no longer necessary to have a bridge tender continuously man the bridge.

Currently, the bridge operates as follows: The draw of the Chatsworth Road Bridge, mile 4.8 at Franklin, shall open on signal from 5 a.m. to 9 p.m. From October 1 through January 31 from 9 p.m. to 5 a.m., the draw shall open on signal if at least three hours notice is given. From February 1 through September 30 from 9 p.m. to 5 a.m., the draw shall open on signal if at least 12 hours notice is given.

This Temporary Deviation from Drawbridge Operating Regulations allows the bridge to operate as follows: The draw of the Chatsworth Road Bridge, mile 4.8 at Franklin, shall open on signal from 5 a.m. to 9 p.m. if at least one hour notice is given. From October 1 through January 31 from 9 p.m. to 5 a.m., the draw shall open on signal if at least three hours notice is given. From February 1 through September 30 from 9 p.m. to 5 a.m., the draw shall open on signal if at least 12 hours notice is given.

While some commercial vessels use the waterway to access commercial facilities upstream of the bridge, they are able to schedule operations around the advance notices required for an opening. The majority of waterway usage consists of small recreational fishing craft that now utilize the boat launch that has been relocated downstream of the bridge. The bridge provides a vertical clearance of 7 feet above mean high water in the closed-to-navigation position and unlimited in the open-to-navigation position. Thus, the majority of recreational fishing craft that may wish to transit through the bridge will be able to do so without requesting an opening of the draw.

A Notice of Proposed Rule Making [USCG-2009-0672] is being issued in conjunction with this Temporary Deviation to obtain public comments. The St. Mary Parish Government states that the decrease in vessel traffic, due to the relocation of the boat ramp downstream of the bridge, has resulted in such infrequency of drawbridge openings that it is impractical to man the bridge full time from 5 a.m. to 9 p.m. daily. A bridge tender will be on call to open the bridge with a one-hour notice by calling the telephone number that will be posted on the bridge. The Coast

Guard will evaluate public comments from this Temporary Deviation and the above referenced Notice of Proposed Rule Making to determine if a change to the permanent special drawbridge operating regulation is warranted.

In accordance with 33 CFR 117.35(e), the drawbridge must return to its regular operating schedule immediately at the end of the designated period. This deviation from the operating regulations is authorized under 33 CFR 117.35.

Dated: August 4, 2009.

David M. Frank,

Bridge Administrator.

Coast Guard

33 CFR Part 117

[USCG-2009-0699]

Drawbridge Operation Regulations; Gowanus Canal, Brooklyn, NY, Maintenance

AGENCY: Coast Guard, DHS.

ACTION: Notice of temporary deviation from regulations.

SUMMARY: The Commander, First Coast Guard District, has issued a temporary deviation from the regulation governing the operation of the Hamilton Avenue Bridge across the Gowanus Canal, mile 1.2, at Brooklyn, New York. Under this temporary deviation the bridge shall require a four-hour advance notice for bridge openings for three months to facilitate bridge maintenance. Vessels that can pass under the draw without a bridge opening may do so at all times.

DATES: This deviation is effective from August 17, 2009, through October 31, 2009.

ADDRESSES: Documents indicated in this preamble as being available in the docket are part of docket USCG-2009-0699 and are available online at www.regulations.gov, inserting USCG-2009-0699 in the "Keyword" box and then clicking "Search." They are also available for inspection or copying at the Docket Management Facility (M-30), U.S. Department of Transportation, West Building Ground Floor, Room W12-140, 1200 New Jersey Avenue, SE., Washington, DC 20590, between 9 a.m. and 5 p.m., Monday through Friday, except Federal holidays.

FOR FURTHER INFORMATION CONTACT: If you have questions on this rule, call or e-mail Ms. Judy Leung-Yee, Project

Officer, First Coast Guard District, telephone (212) 668-7165. If you have questions on viewing the docket, call Renee V. Wright, Program Manager, Docket Operations, telephone 202-366-9826.

SUPPLEMENTARY INFORMATION: The Hamilton Avenue Bridge, across the Gowanus Canal, mile 1.2, at Brooklyn, New York, has a vertical clearance in the closed position of 19 feet at mean high water and 23 feet at mean low water. The Drawbridge Operation Regulations are listed at 33 CFR 117.5.

The waterway has seasonal recreational vessels, and commercial vessels of various sizes.

The owner of the bridge, New York City Department of Transportation, requested a temporary deviation to facilitate the training of bridge personnel, mechanical and electrical testing at the bridge.

Under this temporary deviation the Hamilton Avenue Bridge shall require at least a four-hour advance notice for bridge openings from August 17, 2009 through October 31, 2009.

Vessels that can pass under the bridge without a bridge opening may do so at all times. Notice may be provided by calling (201) 400-5243.

In accordance with 33 CFR 117.35(e), the bridge must return to its regular operating schedule immediately at the end of the designated time period. This deviation from the operating regulations is authorized under 33 CFR 117.35.

Dated: August 4, 2009.

Gary Kassof,

Bridge Program Manager, First Coast Guard District.
