Agency Information Collection Request. 60-Day Public Comment Request

AGENCY: Office of the Secretary, HHS.

ACTION: Agency Information Collection
Request. 60-Day Public Comment
Request.

In compliance with the requirement of section 3506(c)(2)(A) of the Paperwork Reduction Act of 1995, the Office of the Secretary (OS), Department of Health and Human Services, is publishing the following summary of a proposed information collection request for public comment. Interested persons are invited to send comments regarding this burden estimate or any other aspect of this collection of information,

including any of the following subjects: (1) The necessity and utility of the proposed information collection for the proper performance of the agency's functions; (2) the accuracy of the estimated burden; (3) ways to enhance the quality, utility, and clarity of the information to be collected; and (4) the use of automated collection techniques or other forms of information technology to minimize the information collection burden. To obtain copies of the supporting statement and any related forms for the proposed paperwork collections referenced above, e-mail your request, including your address, phone number, OMB number, and OS document identifier, to Sherette.funncoleman@hhs.gov, or call the Reports Clearance Office on (202) 690-6162. Written comments and recommendations for the proposed information collections must be directed to the OS Paperwork Clearance Officer at the above e-mail address within 60-days.

Proposed Project: Adolescent Family Life Care and Prevention End of Year Report Templates (Revision) OMB No. 0990-0299, Office of Adolescent Pregnancy Programs (OAPP).

Abstract: OAPP is proposing to revise the current OMB approved Adolescent Family Life Care and Prevention End of Year Report Templates. The current OMB approval is applicable through May 31, 2009. All AFL grantees are required by their Notice of Grant Awards to submit an end of year report once per year. The current End of Year Report templates provide a degree of standardization across the AFL grantees, allowing for more complete data collection by OAPP for program assessment.

OAPP is also proposing to consolidate 0990-0300-AFL Prevention Project End of Year Report Template ICR and 0990-0299-AFL Care and Prevention End of Year Report Templates ICR. After the approval by OMB on 0990-0299 ICR, OAPP will eliminate 0990-0300. This action will reduce the redundancy across ICRs and lessen the number of burden hours reported by including both templates under one ICR (0990-0299).

The original title will be changed to Adolescent Family Life End of the Year Report Template.

ESTIMATED ANNUALIZED BURDEN TABLE

Forms (if necessary)	Number of respondents	Number of responses per respondent	Average burden hours per response	Total burden hours
End of Year Report Templates (program and evaluation for prevention and care grants)	65	1	65	4,225
