Significant comments received from the public and agencies during the review period will be addressed in the EA and included in an Appendix. Should the FLETC determine, based on the public's comments and the information presented in the Environmental Assessment, that the impacts of the demolition/renovation, construction, and operation of the facility will not have a significant environmental impact, it will prepare a Finding of No Significant Impact (FONSI) for publication in the **Federal Register** and in a newspaper in general circulation at the project location. Should significant environmental impacts be determined to exist due to the project, the FLETC will proceed with the preparation of an Environmental Impact Statement, per the requirements of NEPA, the Council on Environmental Quality, and its own environmental policies and procedures. **DATES:** Written comments concerning the EA should be received on or before January 16, 2002, to be assured of consideration.

**ADDRESSES:** Direct all written comments to Ms. Susan Shaw, NEPA Coordinator/Project Manager, c/o FLETC Cheltenham Facility, 9000 Commo Road, Cheltenham, MD 20623-5000.

**SUPPLEMENTARY INFORMATION:** The Federal Law Enforcement Training Center has a mission of providing high quality, cost-effective training of federal law enforcement personnel. The FLETC proposes with this action to provide requalification-training services in the Washington, DC area by renovating the former Naval Communications Detachment Cheltenham, MD facility, which has been inactive since 1998. Providing these requalification services in the Washington, DC area will eliminate the need for Washington, DC area law enforcement agencies to travel to the FLETC's Glynco, GA facility, reducing associated costs and time demands.

The FLETC Cheltenham facility is located approximately 15 miles southeast of Washington, DC, in Prince George's County, MD. The project site is

situated east of Maryland Route 5 and west of Maryland Route 301, approximately 3 miles south of Andrews Air Force Base.
