Compliance With Rulemaking Guidelines

The PBGC has determined that this action is not a "significant regulatory action" under the criteria set forth in Executive Order 12866.

The PBGC certifies under section 605(b) of the Regulatory Flexibility Act that the proposed rule, if adopted, would not have a significant economic impact on a substantial number of small entities. The rule would only affect the maintenance and disclosure of information about individuals by the PBGC under the Privacy Act and therefore would ordinarily be expected to have no economic impact on entities of any size. Accordingly, sections 603 and 604 of the Regulatory Flexibility Act do not apply.

South Atlantic Fishery Management Council; Public Meetings

AGENCY: National Marine Fisheries Service (NMFS), National Oceanic and Atmospheric Administration, Commerce.

ACTION: Notification of public scoping meetings.

SUMMARY: The South Atlantic Fishery Management Council (Council) will hold four scoping meetings in April and May 2001, to gather public input on measures for possible inclusion in an amendment to the Shrimp Fishery Management Plan (FMP) for the Region. The measures are being considered at the request of the commercial shrimp industry. These management measures will address the issue of larger vessels entering the fishery that are capable of fishing 24 hours a day and having far greater fishing power than the traditional fleet. Fishermen are concerned over the possible displacement of traditional shrimp vessels from the fishery, the unknown impact of adding highly efficient vessels into an already overcapitalized fishery, the biological impact of increased effort on shrimp stocks, and the unknown and possible increase in bycatch. Items under consideration include establishing a Federal permit for the shrimp fishery, night-time closures, and maximum trawl size for vessels harvesting or possessing penaeid shrimp from the South Atlantic EEZ.

DATES: The Council will accept written comments on the proposed amendment through May 29, 2001. The meetings will be held in April and May 2001. See **SUPPLEMENTARY INFORMATION** for specific dates and times of the meetings.

ADDRESSES: Written comments should be sent to Bob Mahood, Executive Director, South Atlantic Fishery Management Council, One Southpark Circle, Suite 306, Charleston, SC 29407-4699, or via email to safmc@noaa.gov.
