BILLING CODE 6717–01–P

DEPARTMENT OF ENERGY

Federal Energy Regulatory Commission

Privacy Act of 1974; System of Records

AGENCY: Federal Energy Regulatory Commission, Department of Energy.

ACTION: Notice of a modified system of records.

SUMMARY: The Federal Energy Regulatory Commission (FERC) is publishing a notice of modifications to an existing FERC system of records, FERC–35 titled Commission Security Investigation Records. In accordance with the Privacy Act of 1974, and to comply with the Office of Management and Budget (OMB) Memorandum M–17–12, Preparing for and Responding to a Breach of Personally Identifiable Information, January 3, 2017, this notice will create 9 new routine uses, and will incorporate two new routine uses that permit FERC to disclose information as necessary in response to an actual or suspected breach that pertains to a breach of its own records or to assist another agency in its efforts to respond to a breach that were previously published separately in the **Federal Register** of July 11, 2023. This System of Records Notice (SORN) also describes the way in which security investigations on FERC employees, applicants for FERC employment, and individuals performing work for the Commission under contract, is conducted.

DATES: In accordance with 5 U.S.C. 552a(e)(4) and (11), this system of records notice is effective upon publication, with the exception of the routine uses, which will go into effect

30 days after publication of this notice, unless comments have been received from interested members of the public requiring modification and republication of the notice.

ADDRESSES: Any person interested in commenting on the establishment of this modified system of records may do so by submitting comments in writing to: Privacy@ferc.gov (Include reference to “Commission Security Investigations Records—FERC–35” in the subject line of the message.)
