#### *C. Purpose of the e-Manifest Advisory Board*

The Hazardous Waste Electronic Manifest System Advisory Board is established in accordance with the provisions of the Hazardous Waste Electronic Manifest Establishment Act (e-Manifest Act), 42 U.S.C. 6939g, and the Federal Advisory Committee Act (FACA), 5 U.S.C. App.2. The e-Manifest Advisory Board is in the public interest and supports the EPA in performing its duties and responsibilities. The Advisory Board shall meet annually to discuss, evaluate the effectiveness of, and provide recommendations about the system to the EPA Administrator.

The sole duty of the Advisory Board is to provide advice and recommendations to the EPA Administrator or designee. As required by the e-Manifest Act, the e-Manifest Advisory Board is composed of nine (9) members. One (1) member is the EPA Administrator (or a designee), who serves as Chairperson of the Advisory Board. The rest of the committee is composed of:

- At least two (2) members who have expertise in information technology;
- At least three (3) members who have experience in using or represent users of the manifest system to track the transportation of hazardous waste under the e-Manifest Act;
- At least three (3) members who are State representatives responsible for processing manifests.

All members of the e-Manifest Advisory Board, except for the EPA Administrator, are appointed as Expert members or Representative members.

#### *D. Public Meeting*

As directed by Congress, EPA launched “e-Manifest” in 2018 to modernize the nation’s cradle-to-grave hazardous waste tracking process. By enabling the transition from a paper-

intensive process to an electronic system, the EPA estimates e-Manifest will ultimately save state and industry users more than \$50 million annually, once electronic manifests are widely adopted. However, only a very small fraction of the two million manifests received annually by EPA are electronic manifests, despite years of system improvements and outreach to industry. EPA seeks to establish a clear timeline for phasing out paper manifests, providing a consistent goalpost for industry and propelling the program forward to the future of electronic manifests.

#### *E. e-Manifest Advisory Board Documents and Meeting Minutes*

The meeting background paper, related supporting materials, charge/questions to the Advisory Board, the Advisory Board membership roster (i.e., members attending this meeting), and the meeting agenda will be available by approximately mid-August of 2025. In addition, the Agency may provide additional background documents as the materials become available. You may obtain electronic copies of these documents, and certain other related documents that might be available at <https://www.regulations.gov/> via the Docket ID No. EPA-HQ-OLEM-2025-0391 and at the e-Manifest Advisory Board website at: <https://www.epa.gov/e-manifest/hazardous-waste-electronic-manifest-system-e-manifest-advisory-board>.

The e-Manifest Advisory Board will prepare meeting minutes summarizing its recommendations to the Agency approximately ninety (90) days after the meeting. The meeting minutes will be posted on the e-Manifest Advisory Board website, or they may be obtained from the public docket at <https://www.regulations.gov/> via the Docket ID No. EPA-HQ-OLEM-2025-0391.

**SUMMARY:** This Notice is to inform the public that Export-Import Bank of the United States ("EXIM") is expected to consider one or more requests to increase the amount of the long-term general guarantee on the interest of Secured Notes issued by the Private Export Funding Corporation (PEFCO). Comments received within the comment period specified below will be

presented to the EXIM Board of Directors prior to any final action during the fiscal year ending on September 30, 2026.

**DATES:** Comments must be received on or before September 2, 2025 to be assured of consideration before any final decision on one or more additional guarantees during the course of Fiscal Year 2026.

**ADDRESSES:** Comments may be submitted through *Regulations.gov* at [www.regulations.gov](http://www.regulations.gov). Please include your name, company name (if any), and EIB-2025-0010 on any attached document.

**SUPPLEMENTARY INFORMATION:**

*Reference:* AP003048AA.

*Brief Description of Nature and Purpose of the Facility:* EXIM may consider one or more general guarantees on the interest of Secured Notes issued by the Private Export Funding Corporation (PEFCO), in accordance with both the Guarantee and Credit Agreement, as Amended, and the Guarantee Agreement between EXIM and PEFCO. The purpose of the guarantee(s) of interest on the Secured Notes is to facilitate private funding from the U.S. capital markets for EXIM-guaranteed export finance transactions.

*Total Amount of Guarantees:* The exact number is not determinable due to market-determined pricing and uncertainty as to the amount and timing of Secured Notes to be issued; however, it could potentially be in excess of \$100 million for Secured Notes issued during the course of Fiscal Year 2026.

*Reasons for the Facility and Methods of Operation:* The general guarantee serves to guarantee interest on PEFCO's issuance of Secured Notes. The principal amount of the Secured Notes is secured by a collateral pool of U.S. government-risk debt and securities, including EXIM-guaranteed loans. The proceeds from the Secured Notes are used to fund additional EXIM-guaranteed loans and provide a liquid secondary market for EXIM-guaranteed loans.

*Party Requesting Guarantee:* Private Export Funding Corporation (PEFCO).

*Information on Decision:* Information on the final decision for this transaction will be available in the "Summary Minutes of Meetings of Board of
