

Upfront Payments—November 5, 2001
Mock Auction—December 3, 2001
Auction Begins—December 5, 2001

As a result of this action, the FM Minor Change Application Freeze Public Notice announced on January 19, 2001, (not published in the **Federal Register**) and scheduled to be effective from March 7, 2001 to March 19, 2001, is no longer necessary, and is lifted. The temporary freeze on minor change applications was designed to ensure that conflicts do not occur between minor change and preferred auction site proposals, a result that could add uncertainty and delay to the auction process. The freeze also applied to reserved band minor change applications because conflicts between such applications and preferred site coordinates are also possible.

FEDERAL EMERGENCY MANAGEMENT AGENCY

Agency Information Collection Activities: Proposed Collection; Comment Request

ACTION: Notice and request for comments.

SUMMARY: The Federal Emergency Management Agency, as part of its continuing effort to reduce paperwork and respondent burden, invites the general public and other Federal agencies to take this opportunity to comment on proposed revised information collections. In accordance with the Paperwork Reduction Act of 1995 (44 U.S.C. 3506(c)(2)(A)), this notice seeks comments concerning the Emergency Management Exercise Reporting System (EMERS) which collects data on the results of a State or local exercise or actual disaster response.

SUPPLEMENTARY INFORMATION: EMERS was designed in 1992 as a means of capturing information on the positive and negative results based on the conduct of an emergency management exercise or an actual disaster response. The revised EMERS 2.0 is an automated data collection software program that is Windows-based and will allow State

and local emergency managers to download the program from a FEMA web site. It is based on 13 functional areas: Alert/Notification (Emergency Response); Warning (Public); Communication; Coordination/Control; Emergency Public Information; Damage Assessment; Health & Medical; Individual/Family Assistance; Public Safety; Public Works/Engineering; Transportation; Resource Management; and Continuity of Government.

The Robert T. Stafford Disaster Relief and Emergency Assistance Act, (Public Law 93-288, as amended) title III, section 313, states:

The President shall conduct annual reviews of activities of Federal agencies and State and local governments in major disaster and emergency preparedness and in providing major disaster and emergency assistance in order to assure maximum coordination and effectiveness of such program and consistency in policies for reimbursement of States under this Act.

Title VI, section 613 (a)(5) concerning financial contributions to States for necessary and essential State and local emergency preparedness personnel and administrative expenses provides that the State "shall make such report in such form and content as the Director may require."

Collection of Information

Title: Emergency Management Exercise Reporting System (EMERS).

Type of Information Collection: Reinstatement, with change of a previously approved collection for which approval has expired.

OMB Number: 3067-0248.

Form Numbers: 95-44.

Abstract: EMERS is an automated data collection software program that captures the positive and negative results of emergency management exercises and actual disaster occurrences. This data is used to analyze the capabilities of State and local governments to respond to disasters. FEMA will use this data to determine areas of strengths and weaknesses and actions that can be taken at the national level to improve programs that deliver funding to State and local governments. State and local governments use EMERS data to track exercise activity on an annual basis and to use the lessons learned for the development of corrective action plans, strategic planning and budgeting.

Affected Public: State, Local and/or Tribal Government.

Estimated Total Annual Burden Hours: 4,668.

Estimated Cost: Cost to the Federal Government is \$122,449. The cost to State and local governments is \$89,700.
